A man wakes up in the morning after sleeping on an advertised bed, in advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised shaving cream, eat a breakfast of advertised juice, cereal and toast (toasted in an advertised toaster), put on advertised clothes, and glance at his advertised watch. He will ride to work in an advertised car, sit at an advertised desk and write with an advertised pen. Yet this man hesitates to advertise, saying that advertising doesn't pay. Finally, when his *unadvertised* business fails, he *will* advertise it for sale.
