facilities for the resale of liquefied petroleum.

SECTION 2. Portable containers are allowed to be used in buildings or areas of buildings undergoing construction or for temporary heating as set forth in the Fire Code adopted by the City of Goodland, Kansas.

SECTION 3. Prior to the storage and use of liquefied petroleum, a person, firm or corporation shall apply for a plumbing permit in the office of Inspections/Code Enforcement. Prior to approval of the application the Building Inspector or Fire Chief for the City of Goodland shall make a site inspection to approve the location of the storage tank and inspect the appliances that will use liquefied petroleum as a fuel source. The installation of liquefied petroleum burning appliances, piping and all appurtenances shall meet all codes adopted by the Governing Body of the City of Goodland.

SECTION 4. Any person, firm, or corporation violating any provisions of this article shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined a sum of not less than \$50.00 nor more than \$1,000.00 and shall be subject to a sentence in the Sherman County Bastille of not less than five nor more than 30 days or both fine and jail sentence.
