Useless fact: Leonardo da Vinci invented scissors. Also, it took him 10 years to paint Mona Lisa's lips.  
The Little Butterfly Café on Main Street of Kanorado is still doing fine. You all need to stop and eat a meal there. The food is very good.

It is open from 7 a.m. to 2 p.m. and then reopens from 5 to 8 p.m. The constant special on Wednesday is chicken fried steak with all the trimmings. On Fridays, the special is bierocks. Now on Mondays, Tuesdays and Thursdays the special can vary.

They have served roast beef; pan fried chicken, pork chops, meatloaf and other goodies. They have set up a buffet so you can serve yourself. Sometimes, there are homemade soups and there are always homemade pies and cinnamon rolls. So stop in. You won't look for a place to sit, but who to sit with!

Woman's dictionary: Bar-B-Que (bar\*bee\*q) (noun) You bought the groceries, washed the lettuce, chopped the tomatoes, diced the onions, marinated the meat and cleaned everything up, but he "made the dinner."

The Prairie Rose on Main Street of Kanorado will be open full-time starting in April. This store is a must see. Even if you aren't interested in buying anything you will love its charm. But they offer many wonderful things—

from antiques to craft items. I will let you know their regular hours and opening dates as soon as I receive them.

Second tidbit of history on the one-dollar bill: Looking on the front of the bill, you will see the U. S. Treasury Seal. On the top you will see the scales for the balance—a balanced budget. In the center you have a carpenter's T-square, a tool used for an even cut. Underneath is the key to the U. S. Treasury.

Stop in at the Kanorado Senior Center anytime and enjoy a cup of free coffee! They also serve dinner at noon, but you need to get a hold of them at least one day in advance, so they can have it prepared for you.

This is a nice cozy place with a friendly atmosphere. They also have a glass counter where you may purchase

a quick gift if needed.

So, stop in and say hi! They have bingo every Thursday night and they sell snacks and goodies, plus the Little Butterfly Café's cinnamon rolls. And they hold game night every other Saturday, when everyone doesn't stay strangers for long, and boy do these people bring snacks to go along with the fun.

Cards you will never see at Hallmark: "Congratulations on your promotion. Before you go, would you take this knife out of my back. You'll probably need it again."

In the fight against tobacco use and its dangers, Kanorado youth will come together on "Kick Butts Day" to tell the tobacco industry to "butt out of their lives."

Join them for games, activities, door

prizes and refreshments at 2 p.m. Sunday, April 8, at the Senior Center.

Short wit (?): I was on a Southwest flight once that was delayed at the gate after everyone boarded. The flight attendant said over the intercom, "We're sorry for the delay. The machine that normally rips the handles off your luggage is broken, so we're having to do it by hand. We should be finished and on our way shortly."

Congratulations to Genevieve Matthews on the award she received

from the Sherman County Historical Society for ownership of land that her grandfather originally owned. Darrel Christenson also received a certificate and the same honor from the historical society, as he still owns and maintains land that has been in his family for years. Darrel's land is in Grant Township and Genevieve's is in Stateline Township.

Famous quotes: The phrase "working mother" is redundant. Jennifer Unlimited.

## Teen may face adult trial

PARSONS (AP) — A 15-year-old girl in this southeast Kansas town could stand trial as an adult after being charged with first-degree murder.

Labette County Attorney Steven W. Wilhoft has filed a motion in Labette County District Court to have Dawn A. Greenwood certified as an adult for the shooting death of her sister, Rochelle Cronick, 23.

Greenwood is accused of shooting

her sister in the neck with a rifle during a domestic dispute on March 14.

A hearing to determine whether Greenwood will be tried as an adult is set for 1:30 p.m. May 2.

If she is tried and convicted as an adult, Greenwood could face a life sentence with the possibility of parole after 20 years. If she is convicted as a juvenile, she could face up to five years in the custody of the Juvenile Justice Authority.

## NOTICE

**MARCH 1 thru MARCH 31**

Mobil® Delvac® Days hits town. Traffic delays expected.

During the month of March, people traveling into town should expect delays, especially around their local Mobil® Delvac® distributor. The cause of this high-volume traffic is the Mobil Delvac Days promotion.

Because of the great deals being offered, farmers from all over the local area are expected to show up. And with savings of 30 cents a gallon on engine oils like Mobil Delvac 1300 Super (which, by the way, is designed for more than 200 hours between drain intervals) and

on Mobilfluids, can you blame them? So, you might want to keep a lookout for slow-moving farm equipment. Also watch for a large number of people around town wearing new Delvac gloves. They are free with a purchase of 100 gallons or more.
