Work that Makes a Difference!

From the City of Goodland Division of Public Works & Utility's

To the citizens of Goodland: please refrain from putting any foreign materials such as old cloths, newspapers, leaves, grass, bags, etc. inside the water meter box to use as insulation material. In the past the city asked for your help in covering the water meters, but we now have the Styrofoam insulating rings we place in the boxes to do the same job. This will aid our meter readers and maintenance personal in the work they are required to do. If your meter does not have an insulating ring please call us at 899-4539 and let us know. Thank you for your cooperation in this matter.
