TO: ALL INDIRECT PURCHASERS OF SORBATES OR PRODUCTS CONTAINING SORBATES IN THE STATE OF KANSAS BETWEEN JANUARY 1, 1979 AND DECEMBER 31, 1997.

This Notice is to inform you that a hearing will be held on July 25, 2001 at 2:00 p.m. in Courtroom No. 207 of the Honorable Gerald T. Elliott at the Johnson County Courthouse, 100 North Kansas Avenue, Olathe, Kansas for the purpose of determining whether the settlement totaling \$1,025,000, relating to alleged price fixing in the sale of Sorbates (potassium sorbate and sorbic acid) should be approved. The most common uses of Sorbates are in dairy products (natural and processed cheeses, cottage cheese, sour cream, cheese spreads, dips and yogurts), baked products (cakes and cake mixes, pies, doughnuts, baking mixes and yeast leavened baked goods): fruit and berry products (wines, juices and fruit drinks, jams and jellies, dried fruit); vegetable products (packaged salads, pickles, olives, and relishes) and a variety of other products (including diet drinks, semi-moist pet foods, mayonnaise, and salad dressings). The amount of Sorbates used in these products is typically very small, ranging from 0.02% to 0.3% concentrations in final products.

If you indirectly purchased Sorbates, i.e. from a distributor or other supplier or purchased Sorbates or products containing Sorbates in the State of Kansas during the period beginning January 1, 1979 through and including December 31, 1997, your rights will be affected if the Court approves this settlement and the Plan of Distribution. Under the Plan of Distribution, persons or businesses which indirectly purchased Sorbates in Kansas will be entitled to share pro rata in \$925,000 of the settlement less attorneys' fees and costs based on the amount of their purchases. Under the Plan of Distribution, a *cypres* award or charitable donation of \$50,000 will be made on behalf of end consumers and business entities who purchased in Kansas products containing Sorbates solely for resale. And, such class members will not receive any other distributions. Finally,

if the Court approves the settlement, the price-fixing related claims of all Kansas indirect purchasers of Sorbates and/or products containing Sorbates who do not timely exclude themselves from the settlement will be terminated.

More detailed information regarding this settlement is contained in the Notice of Class Action Determination and Settlement. You may receive a Notice of Class action Determination and Settlement ("Notice") and a copy of the Proof of Claim and Release, either by writing to the Settlement Administrator, Kansas Sorbates Indirect, P.O. Box 8417, Shawnee Mission, Kansas 66208-8417 or by e-mailing your request to Class Counsel's law firm: Brilllawfirm@aol.com.

To share in this settlement, you must submit a completed and signed Proof of Claim and Release no later than August 17, 2001. Any objection to the Settlement must be filed with the Court and mailed to counsel as explained in the Notice referred to above no later than July 10, 2001.

EXCLUSION FROM THE CLASS
If you wish to be excluded from the Class, you must request exclusion by sending a letter or postcard addressed to one of the following three persons: Settlement Administrator, Kansas Sorbates Indirect, P.O. Box 8417, Shawnee Mission, Kansas 66208-8417; Thomas J. H. Brill, Law Office of Thomas J. H. Brill, 8014 State Line Road, Suite 101, Leawood, Kansas 66208; or George A. Barton, Law Offices of George A. Barton, 4505 Madison, Suite 200, Kansas City, Missouri 64111.

Your request for exclusion must be postmarked no later than July 10, 2001. If you request exclusion from the Class: (1) you will not be entitled to share in the benefits of any Court-approved settlement that may be entered on behalf of the Class, or in any judgment favorable to the Class; and (2) you will not be bound by any judgment against the Class.
