Know any good TALES? Give Sharon a call at the Goodland Daily News

Internet tonight!
899-2338

A man wakes up in the morning after sleeping on an advertised bed, in advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised shaving cream, eat a breakfast of advertised juice, cereal and toast (toasted in an advertised toaster), put on advertised clothes, and glance at his advertised watch. He will ride to work in an advertised car, sit at an advertised desk and write with an advertised pen. Yet this man hesitates to advertise, saying that advertising doesn't pay. Finally, when his *unadvertised* business fails, he *will* advertise it for sale.

For your advertising needs, call Judy or Eric at 899-2338.

PROGRAMMER/ANALYST
KANSAS STATE UNIVERSITY, Department of Communications is seeking an energetic and knowledgeable programmer to develop and modify information systems. A bachelor's degree in computer science or closely related field requiring a high degree of software design and programming expertise AND one year experience in designing, coding, testing, analyzing, and maintaining applications programs is required. Graduate work may substitute for required experience. To apply: send a cover letter, resume, three references and transcripts to Gina Bingham, Department of Communications, 301 Umberger Hall, Manhattan, KS 66506-3402. Application review will begin July 19, 2002 and continue until filled. Kansas State University is an equal opportunity employer. KSU encourages diversity among its employees.
