Heat brutal; water restrictions now mandatory

The heat continues as does the lack of water. The city had asked residents to restrict their outdoor use of water and to go to odd-even watering days. It amazes me to see how many have water on their lawns at high noon and on into the afternoon of the day when it is most useless to the lawn to water. Hoped the recommendations would not become mandatory, but the city will now fine violators.

I had a phone call from Pastor Bud Monday evening about the upcoming anniversary of Sept. 11. He was asking all clergy to meet at 9 a.m. on Tuesday, Aug. 13, at Calvary Gospel Church to plan for this day.

He told me this isn't being done by one specific denomination but rather by all the churches in the community. If a clergy person is unavailable, he suggested that maybe a representative of the church could step in.

He said the high school auditorium has been secured for the evening of Sept. 11 with the high school choir singing, and the National Guard presenting the colors.

Pastor Bud would like to see individuals and groups from as many churches as possible present some form of entertainment, be it solos, duets, choirs or instrumental music, all patriotic.

He said this is being done to the glory of God and in memory of those who lost their lives in the World Trade Center tragedy and others who have lost their lives protecting this nation.

Barbara Caldwell called with a couple of news items. She has been busy the past couple of weeks entertaining some friends. Florence Farris

and she spent some time together at her home.

At a second gathering, her guests were Jeannie Schields, Lisa McClure and Barbara's daughter Terri Lucas. At the third gathering, she had Betty Parker, Sue Peters (her sister-in-law), Ruth Morton and Marilyn Sloan, Ruth's daughter from Diamond Head, Miss., as guests.

Thurl and Harriet Demaree just got back from their trip to South Carolina to visit their grandson Heath and his family. On the way home, they stopped in Wichita to see their son Bruce and his family and in Hays to see their daughter Kathy and her family.

It was a long trip but they said it was worth the effort despite coming down with some tough colds since getting back home. I'm glad they had a good time and hope they will get a quick recovery from this crud. There's nothing worse than a summer cold in this heat.

I had a call on the Belle Montgomery family. Their son Jack of Waterloo, Iowa, has been in the hospital with both a heart attack and stroke; Belle herself was in from a fall; and her daughter Trish O'Brien was also in the hospital with some medical problems.

All but Belle are out of the hospital and at home hopefully on the way to recovery. Her granddaughter Michelle said Jack has some motor skills that are

slowly returning to normal. As to Belle, time will tell if she will be able to come home or be put in a nursing home. Get well wishes to all.

Birthdays on my calendar include Maxine Rauscher on the 6th, Louise Maricle on the 8th and Mari Armstrong on the 10th. Terry and Marilyn Imel have an anniversary on the 7th. Best wishes to these and to all who are having a special day.

I'm late with this as it has been a busy weekend and kept getting interrupting phone calls. I don't know about you

readers, but I'm certainly getting tired of those unavailable calls on my caller ID.

Some are from political candidates and from those pesky phone company calls. I'll no longer answer those "unknown" calls. I know that's rude, but so many of the callers are even more rude.

I see no more notes around but will probably have missed some somewhere along the line. Give me a call or drop off items to me during the week. Until next time, attend the fair; I hope you exercised your right to vote; and stay cool during these hot days. See you next week.

"Come where the Gospel is preached & Christ is known. Preaching Christ & Him Crucified."
- Pastor Bud

I found a quick and painless cure.

When I developed hemorrhoids, my doctor recommended Hemcure...the painless, non-surgical treatment method performed by M.D.s. It took only a few short visits to the doctor's office. And since no recuperation was needed, I could resume my normal activities right away.

With Hemcure, curing my hemorrhoid problem was simple. And, my insurance covered it.

Hemorrhoids aren't the easiest thing to talk about. But listen, if you've got hemorrhoids, why suffer? Do as I did and call to find out more.
