Boehme

She was born Dec. 7, 1917, at Kinsley, the daughter of Della Myrtle (Hawkins) and James Chester Mack. Her father nicknamed her Sammy, and that stuck for the rest of her life.

She graduated from Kinsley High School. On Dec. 14, 1935, she married Clifford E. Boehme at Ellsworth.

The couple moved to a farm on the Ford/Edwards County line near Offerle where two of their children were born. After working in the trucking business in Kinsley, they moved to Phillipsburg, where he was initially a driver for the Co-op Oil Refinery and then worked for the Rock Island Railroad in 1943.

He transferred to Goodland, where their third son was born in 1946. Having been strictly a homemaker, Sarah began working for DeSiran's, a ladies clothing store that later became Schneider's, where she specialized in corsetry and attended courses provided by the Gossard Company. She later worked at J.C. Penney.

She enjoyed sewing and gardening, especially growing roses and African violets.

After retiring, she and Clifford became interested in antiques and traveled a lot buying china, glassware, silverware, clocks, furniture, stationary engines and railroad memorabilia.

After Clifford's death in January 1988, Sarah moved to the Handy Towers where she spent time with her family and friends, played cards and bingo and helped at the Senior Center. She was a hostess at the Veterans of Foreign Wars dining room until her health began to fail.

Others preceding her in death were her parents; two sisters, Ruby Strowig and Izetta Stegman; and a brother, Chester Mack.

Survivors include two sons, Bob (Judy) Boehme of Emporia and Bill (Joyce) Boehme of Goodland; a daughter, Marilyn Kaye (Arnold) Schindler of Brewster; and many grandchildren, step-grandchildren and great-grandchildren.

## The Sherman County Conservation District will conduct a sign up August 15th through August 29th for both Non-Point and State Water Resources Cost Share Programs.

Some of the State Water Resources Cost Share Program practices eligible for cost share include Contour Buffer Strips, Critical Area Planting, Diversions, Fencing, Grassed Waterways, Pipelines, Terraces and Livestock Wells. The Irrigation Practices will include Subsurface drip, Irrigation Water Conveyance, Irrigation Water Management and Irrigation System, Sprinkler. Cost Share is NOT authorized for nozzle upgrades (example 9 to 2 ft.) Exceptions shall be allowed for spacing modification (example 10 to 7.5 ft or 5 ft or less) if NRCS determines significant efficiency gains will be achieved. Non metered systems and systems with end guns will incur a state cost share limit of 50% or less up to landowner limit of \$1500. All other irrigation practices will be cost shared at 50% not to exceed \$2500. You will need a bid from an irrigation dealer to apply and you will be required to provide water right information. The other non irrigation practices will be cost shared at 60% of average cost or actual cost whichever is less with a \$5000 landowner limit.

The Non Point Source Funds can be used for FAILING on site waste water systems and plugging abandoned wells. We only received \$7000.00. KDHE will have to evaluate and rank the applications and there will be a \$50 fee upfront for these services. Last year we were only able to fund three systems.

For further information call Sandy Rodgers at the Conservation District Office 785-899-3070 extension 35.
