Thank You

We would like to thank our family, friends and the community for their many acts of kindness and generosity following the traffic accident that sent Sharon and Jared to Denver for hospitalization. To the Bauman family, we thank you for your swift action in notifying the authorities and your compassion in helping them while waiting for the ambulance. To the emergency personnel, your quick response and skillful care made a tremendous difference in the outcome. The volunteers who serve as EMT's, First Responders and Firemen work all day to make their living and in their spare time they save lives. We are fortunate to have you in our lives. Thank you to the staff at the Goodland Regional Medical Center and to Dr. Davis and Dr. McCullough. Your expert care while waiting for Eagle Med to transfer them played a significant part in their chance for recovery.

While we were in Denver for the five weeks not a day went by that someone from home didn't call or visit the hospital. We understand now how significant every call, card and visit is to the patient and the family. To everyone who came the day after the accident to complete our wheat harvest, bless you all. So many individuals prepared and delivered food for weeks, took care of our lawn, helped out on the farm and played taxi back and forth to Denver.

When Jared had a setback several weeks ago, again we needed Eagle Med to fly him to Denver. He was once again given superior care both on the ground and in the air. We are indebted to the flight crew and to those with the vision to have them based in Goodland.

We also appreciate the efforts of everyone who has participated in a fundraiser or contributed to help with the expenses. It is great to be a part of a community that rallies around individuals as they face challenges. The benefit concert during the fair was extremely gratifying. It showcased many of the talented youth in our community and reminded us that compassion and generosity are in the hearts of people of all ages. The benefit breakfast sponsored by USD 352 and all of its employees that volunteered their efforts demonstrated this again. Those who attended the breakfast also had the opportunity to view the quilt which Marilyn Pruitt constructed and is raffling to help Jared. Her talented hands are a perfect complement to her generous heart. We can never thank everyone individually as we would like, but want to thank everyone publicly for taking us into their hearts and remembering us in their prayers.
