Hazel Estes, mayor of Kanorado, reported on Monday that someone damaged a volleyball net worth \$50 during Kanorado's Octoberfest on Saturday. The net belongs to the City of Kanorado.

# Heavy fog leads to accident

The heavy fog that settled on Sherman County early Wednesday morning caused a man to drive off a county road and through a fence about two miles east of Goodland.

A sheriff's department report said at 5:45 a.m. Wednesday morning, Larry Stephens, Goodland, was driving south on County Road 23 near the intersection of County Road 65 with his 12-year-old son AJ in the vehicle.

Stephens reportedly couldn't see the intersection because of the heavy fog and drove through it, running his 1992 Chevrolet through a fence in a field on the south side of Road 65. The fence is owned by Briney Farms.

Stephens was taken to Goodland Regional Medical Center, where he was held for a time and released later that day.

In another accident, Brock Lohr, a 14-year-old Goodland boy, was south-bound on County Road 10 at 8 p.m. Sunday night, when he lost control at a curve and rolled the 1998 Ford pickup he was driving once in the east ditch.

Lohr was not injured and the car, which was registered to Joni Wilson, was towed away.
