CARD OF THANKS

The Wallace County Ambulance Service is extremely appreciative of the many volunteers who assisted with the recent bus accident. So many community and area people responded to the scene ready to do whatever was necessary to manage this as smoothly and safely as possible. Wallace County Fire Department, Sheriff Department and Emergency Services from other counties were needed to accomplish the task. We left a powerful message that our small communities are capable of handling this type of emergency when we all work together. We are so proud of the group effort. Thank you to the many people from several counties. -11-14-
