

Wildcats happy with Holiday Bowl

KANSAS CITY, Mo. (AP) — The most hotly contested post-season bowl game may not be Kansas State-Arizona State — at least that's the implication left by Wildcats' coach Bill Snyder.

Asked on Monday if his Holiday Bowl opponent reminded him of anyone in the Big 12, Snyder mentioned only Baylor and Missouri, two also-rans the Wildcats clobbered by a combined score of 82-10.

"Their offense has some similarities to Baylor," Snyder said. "Their defense has some similarity to the University of Missouri. And some things they do transcend probably every team in our conference. But they're more like those two in regard to offense and defense."

The Wildcats beat Baylor 44-10 and closed out their regular season with a 38-0 shutout of Missouri, leaving them 10-2, ranked No. 8 in the BCS standings and the highest-ranked team not

picked to play in a BCS bowl. Most signs point to a mismatch against unranked Arizona State, which lost three of its last four to finish 8-5.

Judging by their two common opponents also seems to give Kansas State the edge. Arizona State lost to Nebraska 48-10, while the Wildcats pounded the Huskers 49-13. Kansas State beat Southern Cal 27-20, and Southern Cal beat Arizona State 34-13.

In addition, Kansas State ended the regular season on perhaps its hottest roll of the 15-year Snyder era, swamping their last five opponents by a combined score of 253-30.

While he won't say this is his best Kansas State team, Snyder does not deny it's about the hottest.
