

County reimposes fees on construction waste

COUNTY, from Page 1

carryover because they have not had the concrete crushed in a while. He said the contractor that does the crushing likes to set up a number of places to make moving the equipment worth while. Way said the contractor is from Hamilton County.

The commissioners felt this would be a reasonable system and treat everyone the same. Commissioner Tiede is to get with Way this week to work out the exact wording of the resolution which will be on next week's agenda for approval.

The commissioners said they would be attending the Economic Development Council's Trash Forum at 6 p.m. on Monday at the high school auditorium. The development council has been working with both the city and county to discuss the potential of the county taking over the city trash collection.

The public forum on Monday will discuss the various points, op-

Frankenfeld given plaque for service

Tuesday was the last meeting for County Commissioner Chuck Frankenfeld, who chose not to run for re-election. Commissioners and county employees presented him a plaque for his service, then had cake and punch.

Frankenfeld, a commissioner for five years, was appointed to fill a vacancy in 1998 when Cynthia Strnad

resigned. He was elected to a full four-year term in November of that year.

After receiving the plaque, the outgoing commissioner said he had enjoyed his time on the board and thanked the county employees for their help and support.

"I think it is difficult at times to be a county employee," he said, "and I have been proud to serve with you as a part of Sherman County.

"I have enjoyed my time as a commissioner and hope that Chuck Thomas will enjoy the job as much as I have.

"There were times when we had

School agenda

The Goodland Public School Board will be meeting on Monday at 7 p.m. at the District Office, 1312 Main Avenue.

This is an open meeting and the public is encouraged to attend.

Several discussion items are included on the agenda including the following:

- Jim Mull will give the Professional Development Council report. He will also share about upcoming in-services which are planned for teachers.

- Dennis Stone will talk about safety helmets for the pole vaulters.

- The board members will seek permission to apply for an Energy Conservation Grant from the state. This grant requires matching funds.

- The board will seek permission to get bids for the high school roof and to sell an Epson DFX-8500 printer.

- The board will have an executive session to talk about the evaluation of Marvin Selby, Superintendent.

- In the financial reports, reports will be given over the cash summary, budget summary of funds, the Kansas budget, the treasurer's financial book, the clerk's financial book, the activity fund and the petty cash fund.

tions and costs of this plan. The city commissioners are expected to attend as well, but the presentation will be done by the development council members. Written questions will be accepted from the audience.

The commissioners decided to delay employee evaluations until June because of the wage freeze that went into effect for all county employees at the beginning of the year.

The commissioners passed the annual resolution designating the banks as places where county funds can be deposited. The banks listed are First National Bank, Bankwest, Western State Bank and Peoples State Bank.

Another resolution designated *The Goodland Daily News* as the official publication for printing county legal notices.

County Attorney Bonnie Selby told the commissioners she would correct the economic development council resolution and that they will rescind the old resolution and ap-

prove a new one at the next meeting.

The change is to bring the length of terms into line with the county 3-

year standard. In one paragraph of the resolution it says the terms are 2-years, but later in the same paragraph is says they are 3-year

terms. The new resolution will change the 2-year to 3-year to make it read properly.

The next commission meeting

will be 8 a.m. on Tuesday, Jan. 14, in the commissioner room on the main floor of the Sherman County courthouse, 813 Broadway.

JOB ANNOUNCEMENT

The City of Seneca Emergency Medical Services (EMS) is accepting applications for a full time Service Director/MICT. This is a department head position requiring highly responsible administrative and management work in directing, coordinating, planning and organizing a volunteer EMS program. Work is performed under general direction of the city administrator. The successful candidate must possess highly developed administrative, management, leadership and communication skills, and extensive experience in public emergency services programs and activities.

Salary is negotiable. Benefit package includes medical insurance, KPERS retirement plan, life and disability insurance, vacation and sick leave.

To apply for this position, please send a City of Seneca job application and a resume to The City of Seneca, Attn: City Clerk, 531 Main Street/P.O. Box 40, Seneca, KS 66538. Applications can be obtained from the city clerk by calling (785) 336-2747 or by sending Email to seneca@nvcs.com. All applications must be received by February 3, 2003.
