Groups fight water consolidation

culture groups are joining forces to oppose consolidation of the state's water agencies, an idea suggested to Gov. Kathleen Sereview teams.

Opponents such as the Kansas Farm Bureau and the Kansas Livestock Association contend the curamong several agencies has worked well.

It was with great pleasure that Warta Chiropractic & Acupuncture Clinic presented the 2002 Patient of the Year Award to a very special patient, Ken Winters of Indianola, NE, on Friday, December 19. It goes to show, the harder you work the more you benefit. Ken was involved in a terrible motorcycle accident in October 2000 that left him completely paralyzed on the left side of his body. Ken was told he would never walk again; however through rigorous chiropractic, acupuncture and water therapy over the past two years, he is now able to walk with a walker. Dr. Warta states, "Mr. Winters is a model patient. He has always been focused and dedicated to his recovery and has worked very hard towards our goals. In January 2002 he would enter my clinic in an electric wheelchair and now he walks in with a walker. We are all very proud of him. Keep focused, Ken, as great things are coming your way".

We have made it our goal to stay on the cutting edge of advancements in the chiropractic profession to better serve you. As a thank you to all our Goodland patients for letting us serve your healthcare needs in 2002, during the month of February, we are offering a complete chiropractic examination including all necessary x-rays at no cost to you. Please call our office immediately to secure an appointment. This offer will be on a first come - first service basis and will be for one month only.
