Cowboy poet at St. Francis fair

Cowboy poet and philosopher and achieved notoriety as a syndip.m. Thursday in front of the grandstands at the Cheyenne County Fair in St. Francis.

"We are happy to have Baxter Black entertain at this year's fair," said Dick Bursch, fair board president. "We know he will provide great entertainment and enjoyment to all who attend.'

Mr. Black can shoe a horse, string a barb wire fence and bang out a Bob Wills classic on his flat-top guitar. Cowboy poet, ex-veterinarian and sorry team roper, he has more hair around his lip than on his head, but seldom is seen without his tall cowboy hat.

Raised in New Mexico, Black spent his working life in the mountain West tormenting cows. Now, he lives in Arizona and travels the country tormenting cowboys.

Since 1982, Mr. Black has been rhyming his way into the national spotlight, and now stands as the best selling cowboy poet in the known universe. He's written many books (including a rodeo novel), recorded over a dozen audio and video tapes, someone who can "think up stuff."

Baxter Black will perform at 7:30 cated columnist and radio commentator.

> From the Tonight Show and Public Broadcasting System to National Public Radio, Baxter's wacko verse has been seen and heard by millions. His works are prominently displayed in both city libraries and small-town feed stores

> Yet Black, who still doesn't own a television, fax machine or cellular phone, hasn't changed a thing about his subject matter or his delivery. He continues to focus on the day-to-day ups and downs of everyday people who live with livestock and work the land. Driven by a lefthanded sense of humor, he evokes laughter just by being there. Some observations:

"He could make a dead man sit up and laugh." - Washington Post

Book World Black's philosophy is simple enough. In spite of all the computerized, digitized, high-tech innovations now available to mankind, there will always be a need for

There are thousands of books at the Goodland Public Library's annual book sale, and Teresa Shaffer, 3, found one about the Lion King to read to her brother, William, 6 months. They are the children of Maggie and Joe Schaffer of Goodland. The sale will continue through the middle of August.

Theater to host poets, singers

By Karen Krien

The Saint Francis Herald Phil Crawford has once again organized the Tumbleweed Round-Up, which will feature cowboy and cowgirl poets and musicians along with "just plain story tellers" at 2 and at 7 p.m. Wednesday at the Cheyenne Theater in St. Francis.

Crawford performers will include the Highway 385 bluegrass group out of Colorado. The band has performed all over the state and will be one of the main performers at the Wednesday Round-up.

Among the other performers tentatively planning to come are: Ernie Ketzner, poet from Bird City; Fred and Ferdinand Krien playing their "squeeze box" and guitar; Don Love, guitar and song; and poets Gary Cooper and Fred Magley.

"We will have good, homespun entertainment and it is free," Crawford said, adding that people are welcome to come for all or part of the performances. cisKs.com.

"We have a "swinging door policy" where people can come and go at their leisure," he said.

Crawford has been traveling in the area, attending other cowboy poet and music shows for the last six years. For the last five years, he has performed in the Valentine, Neb., the largest in the United States.

"I've patterned the St. Francis show after the Valentine show," he said.

Crawford was invited to host sessions of the Montana Cowboy Poetry Gathering in Lewistown Aug. 15 through 17. He will also be a performer.

"I plan to go to Lewistown ... I think, being an outof-towner, it is one of the highest honors I could receive," Mr. Crawford said.

The Tumbleweed Round-Up has been supported by businesses. For more information, contact Mr. Crawford at 785-332-2367 or go to StFran-

The income statement reported a \$40,406 net loss for the month, including \$53,842 in depreciation expenses.

The hospital's chief financial officer, Andy Laue, said the net loss is better than it has been and pointed out that it was less than the hospital's depreciation expense for the month.

Salaries and wages are below \$300,000, Laue said, at \$294,041, which is not where the hospital wants them yet but better than in the past.

Financial reports for the past two months show a \$23,691 net loss in April, along with \$302,261 in salaries and wages expense and \$55,605 in depreciation expense. May's income statement shows an \$80,293 net loss, \$313,144 in salaries and wages expense and \$55,426 in depreciation.

The Sherman County Health Department is reminding people of the danger of West Nile Virus since many will be outdoors during the upcoming fair.

Preventing mosquito bites is the best way to prevent West Nile Virus infection, the department says. Everyone can follow a few simple guidelines to reduce their risk of being bitten by mosquitoes.

"The chance of contacting West Nile Virus is small," said Kansas State Public Veterinarian, Dr. Gail Hansen. "Nevertheless, we are urging Kansans to take simple precautions to reduce their risk."

"The warm summer months are when mosquitoes are most common, and they are mainly active in the early mornings, evenings, and after nightfall. Limit outdoor activities during these times if you can. If you must go outdoors, wear long-
