

Cowboys out to tame undefeated Ulysses Tigers

By Greg Stover
The Goodland Star-News
The Goodland Cowboys have played three close games in the last three weeks and that can be tough on a team, especially when you're on the wrong end of the roller coaster.

Coming off a last-second loss in Oberlin on Friday, the Cowboys have to muster up their courage and determination going into tonight's game against the Tigers of Ulysses High School.

Three weeks ago, the Cowboys lost to Atwood in overtime, 10-7. A week later, they got by the Oakley Plainsmen 28-27, stopping them less than two feet from the goal line during a two-point conversion.

Last Friday, the Cowboys were on the wrong side of a one-point loss to the Oberlin Red Devils, 20-19, who never lead until the last 30 seconds of the game. That apparently cost the Goodland boys their spot in the state rankings. Ulysses, one of the teams that moved onto the list, may be tough.

Coach Tony Diehl said that he expects a physical game. The Tiger defense is aggressive against the run, he said, and Ulysses has the most active linebacking crew he has seen this year. They have a nose guard who was last year's state heavyweight wrestling champion.

On offense, Diehl said, the Tigers' quarterback is a threat to score at any time. On offense, Ulysses has proven it can put points on the scoreboard, winning three of its last four game by 34 points or more.

Diehl said his team is healthy, except for sophomore running back Bobby Miller, who is still hampered by sore ribs. His status is "day-by-day."

Senior offensive lineman Matt Heiter is playing well in his first season with the team, Diehl said; he is a steady performer and is quickly learning the blocking schemes.

Senior running back Jordan Bedore continues to lead the Cowboys in rushing with 796 yards on 148 carries and has scored eight touchdowns. Miller is second with 468 yards on 69 carries and four touchdowns.

Senior quarterback Jared Doke has completed 16 of 35 pass attempts for 256 yards and four touchdowns. He is third on the team in rushing with 288 yards on 53 carries and ran for four touchdowns.

Juniors Derrick Raymer and Brock Lohr both have five pass receptions to lead the team. Raymer has gained 87 yards and scored two touchdowns. Brock has 74 yards.

Junior David Livengood has only three recpetions so far this season but two of them have gone for touchdowns. Senior Ian Scherling also has three catches one of which was for a touchdown

Senior Malcolm White has returned 11 kickoffs for 215 yards with his longest being 27 yards.

Three other teams, besides Goodland, dropped out of the Class 4A top 10. One of the teams entering the list this week is Ulysses at No. 7. The Tigers are 6-0 overall and is 4-0 in the Mid-State League.

The officials kept busy Friday as Goodland and Decatur Community High teams fought a tight battle on the Oberlin field. The Red Devils came from behind in the second half, stopping the Cowboys' offense and then taking the lead 20-19 with a last-minute touchdown.

Brewster Bulldogs ground Healy's Eagles with running game, 53-10

By Jay Kelley

The Brewster High School Bulldogs spots the Healy Eagles 10 points in the first quarter before romping to a 53-10 win in Healy on Friday night.

The first quarter was described as "wild and windy" by Brewster coach Leland Francis. With a south wind gusting to 30 miles an hour and more on a field sitting east-west, things got a little confused at times.

Healy opened with the ball on their 19 and marched down to the Brewster 20 before being intercepted by Heath Baird on the six. On the first play of Brewster's drive, however, Branson Gilley stepped out of the pocket on a timed pattern and was called for intentional grounding in the end zone, giving Healy a safety and a 2-0 lead.

Healy scored again on the first play after the kick, a 41-yard romp by Mark Johnson. Quarterback J.D. Johnson found Matt Pollock in the end zone for the conversion and Healy lead 10-0 less than six minutes into the game.

It was the last time they would score that night.

Sean Swanson returned the Healy kickoff for a touchdown to close the gap to 10-6 and the Brewster defense stopped Healy at the 18 when Paul Flanders intercepted a

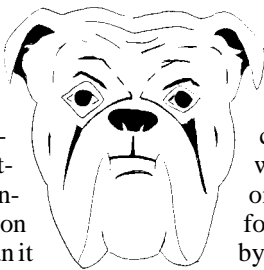

pitch.

Although the 'Dawgs were still unable to do anything on offense, but their defense was another matter. Jarrett Carpenter intercepted a Healy pass on the Brewster 34 and ran it for the second Bulldog touchdown. Carpenter also scored the conversion, making the score 14-10 Brewster.

The stingy Brewster defense took the ball away from Healy in four downs and the offense got cranked up with 34 seconds left in the quarter, moving the ball 30 yards in three plays for their first positive yardage of the night as the quarter ended.

The second quarter started with Brewster on the one and Joel Selby made the score 20-10 on third-and-goal with 11:15 left in the quarter. Gilley ran the conversion for two points.

Healy fumbled the snap on fourth and 14 at their 10 to give Brewster their next score, a safety with 9:56 left in the half. The wind caught Healy's kick and Brewster started on the Healy 30. Six plays later,

Gilley crossed the goal line to make it 30-10. The conversion failed.

Brewster's defense continued to stop Healy, while their offense scored one more touchdown before the half, a 61-yard run by Selby. Gilley found Jake Long in the end zone to add two points, making the score 38-10 with 3:53 left in the half.

The third quarter was even worse for the Eagles. Brewster's defense held them to a paltry 15 yards, nine on the ground and six in the air, while the 'Dawgs ran for 70 yards and another Selby touchdown.

Swanson scored the final touchdown of the game with seven minutes left in the third quarter. Josh Ryan's kick was good and Brewster took the final lead, 53-10.
