

Ben Duell and Kristin Frick

Couple to marry in January

Ben Duell and Kristin Frick, seniors at Kansas State University, plan to marry Saturday, Jan. 3, 2004, in Wichita.

Ben and Evelyn Duell of Goodland are his parents, and Jay and Donna Frick of Wichita are hers.

The prospective groom is majoring in agronomy, and the bride-elect in life span human development with an early childhood development emphasis.

Former Brewster student to appear in ‘soap’

Although few of us watch the afternoon stories, commonly called “soap operas,” there may be quite a few from this area who will be interested in watching “General Hospital” on Christmas Eve. I believe it is on ABC at 2 p.m. Central Time.

Now, why am I encouraging people to watch an afternoon melodrama? That is when a local young man will be seen, where he will be portraying a policeman handing out toys.

Tinker Keck will be seen and heard in a scene during this program. Tinker was a student in the Brewster school for many years and also attended school in Goodland. His parents are Jane Keck of Brewster and Phil Keck of Colby.

So, we can watch one of our own performing at the beginning of what may be a long career. Bet we’ll all be watching the “soaps” that day! Don’t forget, that’s Wednesday, Dec. 24.

A belated happy birthday to Lucille Smith who celebrated no. 92 on Tuesday, Dec. 9. Our grandson Andrew shares this special day with Lucille, but he is only three.

Barry called earlier and said Andrew was doing really well, since all of the surgery that he had earlier this summer. At Thanksgiving, we all noticed how lively and fast he is, and it is good to see him doing so great. I reminded Barry of how healthy Andrew has been this year compared to previous years.

Winter has shown up and given us a white overcoat on all the areas that the snow can stick to. Of course, this doesn’t include the fields or lawns because of the wind that has blown since it started.

Roger and I were coming home from taking LaVelle to Hays on Monday evening, when we first encountered it. Fortunately, we only had 10 miles to travel in it, but it sure seemed like more.

Dawn Schultz is on the last few days of her treatments in Hays, so probably next week will be a special time for her and her family. Christmas will have a special meaning at their home this year, and we are all very happy that she has done so well.

Coleen Crumrine says her brother, Eugene Pfalser, a former resident now living in Ponca City, Okla., is having some health problems and is a patient in the Ponca City hospital. Coleen and Marion

will be heading for there in a few days, and we hope the very best for Eugene and also for Lila.

Tina Hansen, postmaster, will be having a Christmas open house Tuesday, Dec. 16-Thursdays, Dec. 18, so stop in and have a cookie and register for the drawing. Then tell her “Thanks” for the extra treat.

I was just listening to the news, and with all the things that are taking place throughout the world, we all might have a lump of coal in our stockings this year. But we also have an opportunity to share the greatest gift of all with those who have nothing.

So to each of you, we pray you will have a truly blessed Christmas! God bless you all, each and every one.
