Goodland man gets aviation, transportation awards

Bernard Weishapl of Goodland, a 1965 Atwood High School graduate, has been named recipient of Meritorious Achievement Awards by the Federal Aviation Administration and the Federal Department of Transportation.

Weishapl

Weishapl, who serves as supervisor of the Garden City System Support Center, has worked with the FAA and at the airport in Goodland for 23 years. He was manager at the Goodland airport from 1991-95 and then served as a System Support Center coordinator after the reorganization of the aviation administration.

In 2001, he became the manager again, in what is now called the Garden City SSC. His territory includes the western third of Kansas.

Weishapl and his wife Mary Ann traveled to Washington in November, where he accepted the FAA Meritorious Achievement Award from Administrator Marion Blakey.

The award was presented for "exceptional leadership in his managerial duties and his accomplishments and success as the System Support Center manager."

After the morning presentation, the Weishapls were bussed to the

Renaissance Washington, D.C., Hotel, where Bernie received another Meritorious Achievement Award from Secretary of Transportation Mary E. Peters.

Weishapl, who was nominated for these awards by his employees, said the honor was a real surprise and said the nicest thing about the awards was knowing they came from his employees, who nomi-

nated him without his knowledge.

Weishapl is the son of Harold Weishapl of Clearwater and the late Audrey Weishapl. He is the grandson of Elsie Penn of Atwood.
