ORDINANCE NO. 1575

AN ORDINANCE TO PROVIDE REGULATIONS FOR PARKING AND OPERATION OF VEHICLES UPON STREETS DURING TRAFFIC EMERGENCIES AND UPON STREETS DESIGNATED AS EMERGENCY ROUTES.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS:

SECTION 1: That the Municipal Code of the City of Goodland, Kansas, shall read as follows:

PARKING, OPERATION OF VEHICLES UPON STREETS DURING TRAFFIC EMERGENCIES AND UPON STREETS DESIGNATED AS EMERGENCY ROUTES.

(A) Finding of Governing Body. The City Commission finds that the parking of vehicles on emergency routes and the operation of vehicles on streets during a disaster or when covered by a heavy accumulation of snow is a matter affecting the health, safety and welfare of the citizens of the City of Goodland, Kansas, for the reason that parked, stalled, and abandoned vehicles impede snow removal operations, impede disaster response and cause serious traffic congestion.

(B) Declaration of Traffic Emergency. Whenever a disaster such as a tornado, flooding, fire, chemical spills or other disasters deemed as an emergency, the Mayor, or in the absence of the Mayor, the City Manager or the Director of Public Works, may declare a traffic emergency and until such traffic emergency is terminated, it shall be unlawful:

A. To park a vehicle on any street designated an emergency route in Subsection (F) of this section.

B. To operate a motor vehicle on an emergency route during a traffic emergency caused by a disaster.

(C) Declaration of Traffic Emergency during Winter Weather. Whenever snow has accumulated or there is a possibility that snow will accumulate to such a depth that snow removal operations will be required, the Mayor, or in the absence of the Mayor, the City Manager or the Director of Public Works, may declare a traffic emergency and until such traffic emergency is terminated, it shall be unlawful

A. To operate a motor vehicle on a city street during a traffic emergency caused by snow and ice without first having equipped such vehicle with tire chains, except that motor vehicles with four (4) wheel drive need not be equipped with tire chains.

B. To park a vehicle on any street designated an emergency route in Subsection (F) of this section.

(D) Notice of Traffic Emergency; Termination. Upon declaring a traffic emergency, the Mayor, City Manager, or Director of Public Works shall forthwith cause appropriate notice to be given to the local press, radio, and other media on the severity of the emergency and the phase which has been invoked. The traffic emergency shall be terminated by notice substantially in the same manner as it was declared.

(E) Removal of Stranded and Parked Vehicles. All vehicles parked on emergency routes must be removed within two (2) hours after declaration of a traffic emergency has been given. All stranded or abandoned vehicles impeding city operations or causing traffic congestion of any city street shall be removed immediately. After declaration of a traffic emergency, any vehicle parked on an emergency route after two (2) hour notice and any vehicle impeding city removal operations or causing traffic congestion may be removed or caused to be removed by a police officer to the nearest garage or other place of safety and the vehicle may not be recovered until the tow-

ing and storage charges are paid by the owner of the vehicle.

Kansas from 17th to 1st
Caldwell from 17th to Airport Entrance
Center from 12th to 8th
Cherry from 17th to Highway 24
8th Street from Highway 27 to Eastridge

1st from Kansas to Grand
Toelkes Avenue
Maple Avenue
Aspen from Maple to 2nd & Grand
2nd & Grand to Kansas
Arcade from 18th to 2nd

The Director of Public Works shall, upon passage of this section, cause appropriate signs to be installed along each of said streets designated emergency routes.

SECTION 2: That the Municipal Code of the City of Goodland, Kansas shall read as follows:

PENALTY. Any person who shall violate any of the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine not to exceed one hundred dollars (\$100.00), or by imprisonment not to exceed thirty (30) days, or by both such fine and imprisonment. Each day a violation of this Article shall continue, after a person is charged with the same, shall be a new and independent violation of this Article chargeable to the violator.

SECTION 3: This Ordinance shall be in full force and effect from and after its publication in the Goodland Star News as provided by law.
