

Getting the Sherman County Speedway ready for racing (below), a water truck sprayed water, and racing cars drove around to "mud pack" the track before the races on May 19. Drivers in the econo class bumped in turn three during a preliminary heat. Raymond Dechant (00) and Brian Morris (8) (right) both of Lamar, Colo., raced to determine the pole for the bomber class main on May 19. Dechant won the main.

Speedway to have racing Saturday

The season's third night of racing at the Sherman County Speedway will be Saturday, with races beginning at 6:30 p.m.

The National Weather Service forecasts a chance of showers and thunderstorms for Saturday night, and the evening will be cool after a high near 80, with the low expected to drop down to around 51 overnight.

It is going to be breezy with a north wind between 10 and 20 mph, with gusts as high as 30 mph.

Alex West, Speedway Association president, said he plans races in the mini-stock, econo, bomber, stock and modified classes.

The pits will open at 3 p.m. and hot laps will begin between 5 and 5:30 p.m. The first race is set for 6:30 p.m.

Christopher Kleine (car 11) of Las Cruces, N.M., will be going for his third win in the mini-stock class, West said.

T.J. Yarger (00) won the main event in the econo class on May 19,

improving from a fifth place finish on opening night.

Roger Snethen (S5), who won on opening night, was second and Richard Pummer (13) finished third in both races.

Raymond Dechant (00) of Lamar, Colo., will be going for his third win in bombers, while Angel Munoz (95N) of Lamar will be going for his third win in the stock class.

Darrin DeLoach (21) of Lamar will be trying for his second win in

the modified main after winning May 19.

Seven more nights of racing are scheduled, on Saturdays June 16; July 7 and 21; Aug. 18; and Sept. 1, and the weekend of Sept. 28 and 29.

The 1200 Outlaw Sprints will appear July 21, and the 305 Sprint cars are expected for the 15th annual Bill Gray Memorial on Aug. 18.

The 18th annual Flatlander Fall Classic will be Friday and Saturday, Sept. 28 and 29.
