Stearman Fly-in draws 85 aircraft to St. Francis

The 25th annual Stearman Fly-in brought in about 85 aircraft, a balloon launch and over 40 skydivers.

The fly-in was held Saturday and Sunday, June 9 and 10, at the Cheyenne County Airport in St. Francis. The 85 aircraft included 10 World War II-vintage, open cockpit Stearmans, five hot-air balloons, a T-28 trainer, a Beechcraft Staggerwing and a pristine Mullicoupe. The Stearmans came from as far as California and Texas.

John Kugler of McCook, Neb., was the only balloonist to fly, on Saturday evening. John and Linda Nash of Parker, Colo., inflated and tethered their balloon on Saturday afternoon. The seven-story balloon

made a lovely backdrop for the Stearman biplanes and the skydivers.

The Saturday-night barbecue included a talk by Dr. Curt Kimball of Sterling, Colo., and a performance by his barbershop quartet. He has attended every fly-in and was the originator of the event.

More information and pictures are available at [www.stearmanflyin.org](http://www.stearmanflyin.org).

Abuse is abuse. There are many forms of abuse, but at the core, they are all the same — a violation of your divinity. Sometimes it is hard to determine exactly what is abusive and what is not.

Just for the record, let's be clear. There is verbal, mental, emotional, physical, sexual and spiritual abuse. They take the forms of words, silence, actions non actions, suggestions, recommendations and overt displays of an unloving nature.

They result in your felling sad, ugly, worthless, ashamed, guilty and at fault.

If you are in a relationship trying to figure out whether or not you are being abused, trust your first thought — you are. Even if you're not, the fact that you have to ask means that you are in trouble.
