To a large extent, the future greatness of America will be measured in a way Her people remember and honor those who have served in Her Armed Forces and cherish the eternal truths of Duty, Honor, Loyalty, Patriotism, Unselfishness, and Service for which they and their families have sacrificed so much.

- Groman

"The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the Veterans of earlier wars were treated and appreciated by their nation."
