Cowgirls at home

By Sharon Corcoran

slcorcoran@nwkansas.com The Cowgirls had the top golfer and were the winning team at their home tournament Tuesday at Sugar Hills Golf Club.

Senior Chelsie Gausman finished the 18-hole par 71 course in 87 strokes to take first place individually. The Cowgirls finished first with a team score of 395. Junior Amber Douglas finished the course in 98 strokes, sophomore Kirsten Topliff and junior Natashia Hillman both in 105, sophomore Katlyn Topliff in 114 and sophomore Andrea Roeder

Ulysses was second with 452, Syracuse third with 454, Oakley fourth with 455, Colby fifth with 490, Dundy County (Benkelman, Neb.,) sixth with 609 and Thomas More Prep-Marian of Hays seventh with 624. The four lowest scores make up the team score.

Goodland also had the top junior varsity golfer, as junior Ashley Garza finished nine holes in 57 strokes. Senior Sam Erickson of Goodland was sixth in 70 strokes and sophomore Jacquelynn Gulley

"I am very proud of our girls for getting their scores down," said Coach Connie Livengood. "It is good to be under 400, and now if we can work on getting down to around the 380, we will be in the thick of things later on down the road in the season. I believe this team will continue to improve throughout the year.'

The girls had several bests yesterday, the coach said, and that is fantastic. Gausman won the tournament with an 87, Livengood said, and that is her best tournament round ever. She can even improve that later on, the coach added.

Douglas was a little disappointed in her score, Livengood said, but it was her best ever in a high school tournament, and in golf, you have those days.

"I'm still proud of a fourth place finish and her personal best," Livengood said.

Hillman and Kirsten Toplifftied, the coach said, and both played exceptionally well. Hillman shot where she is capable of shooting, Livengood said,

Cowboys play in Colby tonight

slcorcoran@nwkansas.com Smarting from a 32-0 loss to Oakley, the Goodland Cowboys face their rivals, the Colby Eagles,

Colby will be just as hungry for a 20-0 to the St. Francis Indians. The rivals meet at 6 p.m. tonight at Dennan Field in Colby.

Goodland Coach Kent Teeter. "Our on defense." main focus will be getting better at the things that we didn't very well for three quarters against Oakley, on Friday.'

The Cowboys will also need a game plan for what Colby does, the coach said — they run some options win after losing their season opener, and have a very athletic quarterback. Goodland will need to account for him on every play, he said.

"Colby also runs multiple forma-"Colby will be an emotional game tions," he said, "so we need to make tections and game plan for what they for us because of the rivalry," said sure we are getting aligned properly might do defensively," Teeter said.

The Cowboys' defense was strong but the Plainsmen managed to get to the end zone anyway, and penalties and trouble catching the ball put an end to Goodland's drives just as they started to progress.

"Offensively we need to focus on catching the ball, running good routes, maintaining good pass pro-

son and tested their skills Saturday School from Colorado Springs, 25-11, 25-21 and to Machebeuf 25-14, 25-8 before beating Summit High School 25-17, 25-22.

"We saw some very good teams four matches against tough com- this weekend," said Coach Jerry Mcpetition. Goodland lost to Platte Kee. "The level of play was fast. We Valley High School from Kersey, improved with each match, and our varsity squads will also compete at Colo., (eight miles east of Greeley) aggressiveness on the court improved. 3:30 p.m. Thursday at Norton.

court coverage. The last match was our best offensive game."

The Cowgirls had their home quadrangular Tuesday. Results will be in a future issue. Next action will be at 3 p.m. Tuesday at the Scott City quadrangular. The varsity and junior

Water Right Transition Assistance Pilot Project Program **Notice of Public Meetings**

The State Conservation Commission will conduct three public meetings regarding implementation of the Water Right Transition Assistance Pilot Project Program (WTAP) in the proposed NW KS GMD#4 target areas. The purpose of the meetings is to promote public interest and awareness, to inform the public of possible economic and hydrologic impacts of the program, and to facilitate participation by assisting potential applicants. The meeting locations are as follows:

- 1. September 24 at 1 p.m.-Colby: Colby Community College, Room #107 2. September 24 at 7 p.m.-Goodland: NW Kansas Technical College, Lions Room
- 3. September 25 at 9 a.m.-Hoxie: Midwest Energy, Inc., Community Room

WTAP is a voluntary, incentive-based program that permanently retires privately held water rights in exchange for payment by the State of Kansas. A program passed by the 2006 Legislature, WTAP is intended to help restore aquifers and recover stream flows in critically depleted areas. The Fall enrollment period begins on October 1 and ends on November 15. The program rules and regulations, maps, and other details are posted on the SCC web site at:

If you are physically unable to attend a public meeting or would like more information about WTAP, you may contact the program administrator electronically at:

Conservation Commission, Mills Building, 109 SW 9th Street, Suite 500, Topeka, Kansas, 66612-1215. For additional information about the public meetings or the proposed NW KS GMD#4 target areas, you may also contact Wayne Bossert, Northwest Kansas Groundwater Management District #4, at (785) 462-3915.

steve.frost@scc.ks.gov or by phone at (785) 296-8964. Correspondence can be mailed to the State
