The Goodland Wrestling Club members have participated in five 67 tournaments and two duals this month.

The team has been at tournaments in Ellis, Atwood, Hill City and Scott City. Duals were held after the Goodland High School matches with St. Francis and Hoxie.

The duals are a great way to allow the young wrestlers to get experience against other wrestlers than the ones they face in practice.

The Goodland wrestlers will be at Norton on Saturday. Next week some of the wrestlers will be in Hoxie and some at Salina.

On Saturday, Feb. 6, the wrestlers will be in Colby at the Tate Siruta Memorial Tournament.

The wrestlers will be in Oakley on Saturday, Feb. 13.

FUN BY THE NUMBERS

Like puzzles? Then you'll love sudoku. This mindbending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
