Found north of Kanorado, KS. 2 older female labs? I do not think these dogs were just dumped off. They are older dogs and very loving and affectionate. They are house-broke and appear to be well taken care of. One is brown, the other blonde. If anyone knows anything about these dogs, please call me. I have cancer and am gone a lot for treatment so I can not keep them. Please call if you can help me find the owners or if you know of anyone that would give them a good home! Peggy (785) 399-2706.
