

Waterline upgrade beginning

The city water improvement project to create a central water collection system and treatment facility has begun and will continue throughout the year.

City Manager Doug Gerber said the water line portion of the project will impact some residential yards as the new lines are installed.

The city streets being effected in this process include 18th from Arcade Ave. to Cherry Ave., and from Cherry to south of the railroad. From south of the railroad to Caldwell Ave. and to 19th Street. On 19th from Caldwell Ave. to Cattletrail Ave. From 19th on Cattletrail Ave. to Eighth Street. On 17th Street from Colorado Ave. to Cattletrail Ave. From Eighth Street from K-27 to Kansas Ave. On Sherman Ave. from 14th to Sixth. On 10th from Kansas Ave. east to Spruce Ave. On Sixth from Kansas Ave. east to College Ave.

Parts for the treatment building are arriving, and construction is expected to begin in the next month.

The project is being paid for through a loan through the Kansas Department of Health and Environment plus a \$1 million loan forgiveness from the federal stimulus money approved last year.

Additional parts of the project will begin in the spring, Gerber said.

Anyone having questions about their residential property and the new water lines should call the city office at (785) 890-4500, he said.

Bahe benefit great success

Lloyd Holbrook and Marcia Everett (left) look at items at the silent auction tables at a benefit soup supper and dance for Blazye Bahe on Saturday night at the Goodland Elks. Bahe was hurt in a motorcycle accident on Nov. 18 and is recuperating at his parents' home in Great Bend. He graduated from Goodland High School in 2004. Two of the many people (below) helping at the benefit served soup to a customer.
