for a Vocational Rehabilitation Coun selor. This position could be based n either the Colby or Goodland SRS Regional Service Center

This is advanced professional counseling work to help people with disabilities achieve employment. The position helps clients identify their ob-related goals: develop individual plans for employment; and provide or purchase a comprehensive variety of services, which may include training, physical/mental restoration assistive technology, supported em ployment, and job placement. Counseling and guidance provided help clients identify their strengths and abilities; adjust to disability; exercise informed choice; maintain progress through their individual plans; and understand labor market trends and employment opportunities. Educational requirements: Masters in Rehabilitation Counseling; or Masters in other disciplines plus completion of specific graduate courses related to the VR coun-
