Will Brack (15W above) worked to pass another car in a IMCA Modifieds preliminary race on Saturday. Brack won the Modified 'A' Feature race both nights of the Flatlander Fall Classic races at Sherman County Speedway. During one of the Modified preliminary races one car (8 right) spun out in turn four and left a cloud of dust as he hit a pile of tires on the corner of the rodeo arena. The car had to be towed off with a front wheel problem.

# 16th Annual Northwest Bike Show draws good numbers

Numbers were down for the 16th annual Northwest Kansas Bike Show Saturday as part of the Flatlander Festival, and organizers said it was a good show.

The bike show posthumously honored Larry Milke, 60, a longtime Goodland bike enthusiast who died in January as Grand Marshal.

The bikers had a great time and the parade Saturday night was a highlight for the many people who lined the streets to watch the bikes and the cars. This was about the fourth year the cars have joined in the parade.

Winners in the bike show were announced Saturday evening during the dinner at the Veterans of Foreign Wars.

The best engine award went to Ron Vidas and Tim Shock of Goodland for their 1965 Harley Davidson Panhead.

The best paint award went to Ronnie Hoeffer of McClave, Colo. for his 2003 Thunder Mountain Custom..

The Brick Top Cruisers pick was Kevin Giedd of Burlington for his 1916 Harley Davidson.

The Best of Show was Kevin Giedd of Burlington for his 1916 Harley Davidson.
