

Cowboys win tourneys Atwood, Thomas More

The Goodland Cowboys golf team took first at Atwood on Saturday and at Thomas More Prep on Monday with four finishing in the top 10 at both tournaments.

Cowboy George Bellani was the top individual golfer at both tournaments shooting a 68 to win at Atwood and a 75 to win at Thomas More Prep.

"We had a great team score," Coach Terry Daise said. "Conditions at Atwood were not very favorable, due to cold and wind. George had a phenomenal round especially in this type of weather."

Goodland won the Atwood tournament with a team total of 315, Colby second 352, Atwood third 355, Hoxie fourth 417, Atwood junior varsity fifth 478, Oberlin and Brewster participated, but did not have full teams.

Cowboy Joel Linin was third winning a playoff with Cowboy Gannon Ihrig as they both finished with 81. Gage Ihrig was seventh with an 85.

Others in the top 10 included Kade Brown of Oberlin, second, Paul Sciferl of Colby who won a playoff for fifth with James Peterson of Atwood as both finished

with 82. Kronner Kriss of Colby was eighth at 86, Garrett Berry of Oberlin ninth 87, and Marcus Portschy of Atwood 10th 88.

Bellani

At Thomas More Prep Cowboys Gannon and Gage Ihrig tied for third at 80 and Gannon won the playoff. Linin was seventh at 82, Tanner Jones 17th at 87, and Tyler Jones 36th at 97. There were 88 golfers in the Thomas More Prep tournament.

Goodland won the TMP tournament with a team score of 317, Phillipsburg second 341, Ellis third 342, TMPA fourth 345, Oberlin fifth 373, Larned sixth 377, Colby seventh 386, Trego eighth 388, Dodge City ninth 395, Hoisington 10th 403, Hays High A and Hays High B tied for 11th at 408, Norton 13th 419, TMP B 14th 423, Russell 15th 440, and Ellsworth 16th 447.

"We had another good day with four of our six golfers receiving medals," said Coach Daise. "This is a very tough course. Our score of 317 was excellent. We improved nine strokes from the first time we played the course earlier this year."

Cowgirls win over Ulysses, Holcomb

The Goodland Cowgirls had a busy week last week. They played Ulysses on Tuesday and won both games, 20-0 and 17-0. On Thursday they played Holcomb and won both games, 11-0 and 4-3.

Kanorado girl joins Mavericks golf team

The Mavericks Women's Golf Team has finished their first year, and work begins to get ready for next year with the signing of a Kanorado girl to be a team member.

Golf Coach Travis Jones said Northwest Tech has accepted a letter of intent from Jeniffer Hernandez to be a member of the Mavericks golf team.

Jeniffer is from Kanorado and

Hernandez

will graduate from Goodland High School this month. Jeniffer's parents are Frank and Dalia Hernandez from Kanorado.

Jeniffer is enrolled at Northwest Tech to

start the Cosmetology program this fall. Her hobbies are softball and golf, and is excited about attending Northwest Tech and to be a part of the golf team.

Her future plan is in the cosmetology field. She was active in the City Wide Clean Up in high school and is sure to be a great leader on the Mavericks golf team.

"Jeniffer is a great athlete and

picks up on skills quick," said Coach Jones. "She is going to be a perfect fit on our team."

Goodland High School Counselor Nancy Farris-Partida said, "This is an exciting time for Jeniffer. I am extremely happy for her."

Jeniffer will be a great asset to the golf team and the college, and we look forward to an amazing year with the Mavericks, Jones said.

Sharon Springs car show part of 'Drive the Byway'

Prehistoric sea life, colorful characters, historical places and beautiful vistas existed long before Kansas statehood.

Celebrate the 150th anniversary of Kansas by visiting attractions and participating in events all along the Western Vistas Historic Byway from Scott City to Oakley and to Sharon Springs on Saturday and Sunday.

Imagine an ancient world where creatures swam in a vast inland sea. Hear about pioneer paleontologists wandering over chalk badlands finding fossils exposed and reporting the exciting news "back east."

The first historic byway links three western Kansas counties stretching over 102 miles. (Scott, Logan and Wallace) and features six museums plus 12 historic and scenic sites. The byway runs north from Scott City to Oakley (US 83), then west to Sharon Springs (US 40) and can be traveled from either direction with many stops between these cities.

There will be art shows in three communities for your enjoyment. In Scott City view the Kansas Sesquicentennial Art Contest at the El Quartejeo Museum and Jerry Thomas Gallery. The pieces represent the theme of the 150th birthday of the great state of Kansas.

At Oakley, home of the larger-than-life Buffalo Bill sculpture, you'll find Charlie and Pat Norton sharing stories about the sculpture and area history.

The Fort Wallace Museum will feature a photography exhibit by local professional and amateur photographers illustrating the striking natural beauty and historical sites of Wallace County.

Fossil history events include: A brief fossil talk excursion into the importance of Kansas fossils since 1867 and their contribution to the world of science. Talks both days begin at 1:00 p.m. (Central Time) at the Keystone Gallery, located on US 83 between Oakley and Scott City. The Fick Fossil and History Museum, Oakley, will be featuring Adventures of the Sternbergs in Logan County Through Photographs. The exhibit will highlight the fossil finds of the Sternberg family.

The Butterfield Trail Museum, Russell Springs, is the first courthouse in Logan County built in 1887. The museum features the history of the famous BOD frontier trail. The Logan House will be serving refreshments.

Need a diversion from all that history? Sharon Springs will be hosting its annual Car Show on Saturday. Last year brought a record number of entrants (75) in a variety of categories. There will be kids games, a Poker Run and community-wide garage sales.

Refreshments will be available at almost every attraction. Enjoy homemade delights.

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
