

Classes get together to remember

Goodland High School alumni from the classes of 1969, 1970 and 1971 gathered Friday evening at Fixsen's Electronics on Main Ave. for a good time and remembering their years at school. Dennis Saint (top photo) had a time getting the three classes to gather for a class photo as he directed the 1969 alumni to get into place. Randall

Fixsen said he had invited everyone to come, and the building was filled with people and lots of food. He had found the lettering for the old gas sign, and many thought it was funny to list the class of 1971 as "unleaded."

Ron Schilling, The Cow Guy, class of 1977 talked about raising sons and getting them educated to go on their first date.

Jake Kling class of 2008 did a trib-

Melia said the alumni association had gone all out and brought in a famous person and had "Ozzie" Osborne, a former teacher, Edgar Osborne, walk across the stage to the cheers of the audience.

The Goodland High School cheerleaders led a class chant and the school song. A little later as an impromptu the cheerleaders came back out to do a dance routine and were joined by some former cheerleaders and members of the association committee to the rousing cheers of the alumni audience.

Following the assembly more class parties were held at various

locations around town, and the Kan- orado alumni met at the Veterans of Foreign Wars in the afternoon.

The Edson alumni held their gathering at Bateman's Funeral Home at 10 a.m. on Saturday.

In the evening volunteers opened 14 of the carnival rides at the fairgrounds to allow the alumni and their kids and grandkids to ride. The Sherman County Community Services had a special wristband for the alumni.

The alumni program finished Saturday evening with entertainment and dancing with the band "Cherry Bomb" at the fairgrounds.

Congressman taking applications for district office interns for fall

The Office of Congressman Tim Huelskamp is accepting applications for the fall internship program in the Salina, Dodge City and Hutchinson offices.

"I encourage college students or recent graduates looking to gain valuable knowledge of how Congress operates, and how federal legislation affects Kansas, to apply," Congressman Huelskamp said. "This is a wonderful opportunity for

interested young men and women to obtain greater understanding of the legislative process and constituent services."

Interns may be asked to complete a variety of tasks, including day-to-day office work such as answering phones, writing letters and assisting with media clips. In addition, interns may be assigned to assist with constituent casework, or attend Congressman Huelskamp's

public events throughout the First District.

Students will be given flexible hours to accommodate their course schedules, but hours generally run from 9 a.m. to 5 p.m. This is an unpaid internship.

Additional information about the internship program can be found at <http://huelskamp.house.gov/internships>.
