

Hansen Foundation to have scholarships

The Dane G. Hansen Foundation will make 275 scholarships available in five categories to students in 26 northwest Kansas counties for the 2011-2012 academic year. The Hansen Vocational Education Scholarship has been changed to the Hansen Career and Technical Education Scholarship. There are one hundred career and technical education scholarships available. This scholarship can be used at any Kansas school, but it can only be used for a program that does not lead to a four-year degree.

Students from an accredited high school, registered independent, private or home school in one of the following 26 counties are eligible to apply: Cheyenne, Cloud, Decatur, Ellis, Ellsworth, Gove, Graham, Jewell, Lincoln, Logan, Mitchell, Norton, Osborne, Ottawa, Phillips, Rawlins, Republic, Rooks, Russell, Saline, Sheridan, Sherman, Smith,

Thomas, Trego and Wallace.

Scholarships available for students who will graduate in the current academic year are:

Ten Leaders of Tomorrow Scholarships with annual stipends of \$5000 renewable for three additional years if criteria established by the scholarship committee are met. Recipients must attend an accredited four-year public, private or church related Kansas college or university.

Fifty Hansen Scholar Scholarships with stipends of \$3000 renewable for one additional year, providing the recipients have achieved at least a 3.00 GPA at the college level. Recipients must attend an accredited four-year public, private or church related Kansas college or university.

One hundred Hansen Student Scholarships with stipends of \$2000 renewable for one additional year,

providing the recipients have achieved at least a 3.00 GPA at the college level. Recipients must attend an accredited community, public, private or church related college or university in Kansas.

To qualify for the above scholarships, a student must have taken the ACT test and have a composite score of 21 or higher and have at least a 3.50 GPA. The student should be an active participant in extra-curricular school and community activities, display good citizenship, leadership, and moral integrity.

Students planning to enter the competition for Leaders of Tomorrow, Hansen Scholar or Hansen Student scholarships must register at their school and take the qualifying test at locations to be announced. Information on all scholarships has been sent to qualifying area schools. Tentative test dates have been for Wednesday and Thursday,

14 and 15.

One hundred Hansen Career and Technical Education Scholarships (\$2000 non-renewable) are available to encourage high school seniors who seek competence through career training. An applicant for the Career and Technical Education Scholarship must complete an application form that is available from the high school counselor. The scholarship committee is interested in the student's character, activities and goals. Applicants for the Hansen Career and Education Scholarship are not required to take a qualifying test. A 3.50 GPA is not necessary to apply for this scholarship. Recipients may enroll in any career and technical education program, in any Kansas school, as long as it is not leading to a four-year degree.

In addition to the scholarships offered to high school seniors, the

Hansen Foundation will also award fifteen Community College Scholarships with stipends of \$2000 each. These scholarships are available for Kansas Community College students who will have completed a minimum of 32 hours of college credit by the Spring of 2011 and who are transferring to an accredited four-year public, private or church related Kansas college or university. Each Community College Scholarship may be renewed for one year upon completion of satisfactory work as evaluated by the Scholarship Committee. Students may obtain application forms at the office of the dean of student services at the community college or it can be from our website at www.hansenfoundationscholarships.com.

Through scholarships the trustees of the Dane G. Hansen Foundation encourage good citizenship and high achievement in academic

endeavors. Improvement of educational opportunities for students in western Kansas ranks high among the objectives of the trustees of the Hansen Foundation.

The Hansen Foundation is in its 37th year of service to the young people of northwest Kansas through the insight and generosity of the late Dane G. Hansen of Logan. The book "Dane G. Hansen: Titan of Northwest Kansas" by Billy M. Jones (1962) describes Dane G. Hansen and his contributions to northwest Kansas.

The foundation encourages students that are interested in our scholarship program to visit our website for the current information on our scholarships. They can also download the application forms for the Hansen Career and Technical Education Scholarship and the Community College Scholarship.

Take some of the stress out of buying a different car

With the summer vacations winding down, and the kids going back to school or college, this can be a popular time of year for making car purchases. Vehicles - whether it is a teenager's first car or a new family minivan - are among the largest purchases we ever make. So, to make sure you get a good deal, it is important to keep a few things in mind and avoid getting scammed or buying a "lemon."

Do your homework. Research

your options by reviewing consumer magazines or online reviews. Learn about the vehicle's features, fuel mileage and maintenance costs. Also research the car's "book value," so you can be prepared to negotiate the price.

Know the car's history. Especially with used cars, it is important to know about any accidents, repairs and maintenance history. Ask the dealer for a vehicle history report.

Test drive. Check the vehicle's

performance on hills, highways and in stop-and-go driving.

The Internet has opened up a wide variety of tools to research and purchase vehicles. Sometimes, bargains can be found online in locating vehicles that may not be available in your local area. Unfortunately, this has also opened up an opportunity for scammers.

An extra amount of caution is needed when dealing with people over the Internet. Scammers may

offer a car at a price that sounds too good to be true and then ask for a deposit to be wired to them to hold the car until you can pick it up. Unfortunately, in many cases, the car never existed - and once the money is wired, there is no way to get it back.

Your safest bet is most always to work with a local, reputable dealer. However, if you do choose to shop for cars online, be especially cautious and skeptical. Request a full

title history and vehicle inspection and never send a payment until you see the vehicle.

As an important reminder when buying or selling used cars, "as-is" sales are not legal in Kansas unless the defects are disclosed to the buyer. Putting this information in writing is always a good idea to avoid future disagreements.

Major purchases - like cars - involve a lot of money, and therefore are a common source of consumer

complaints to our office. If you feel you have been scammed in any consumer transaction, please call our office at (800) 432-2310 or visit us online at www.ksag.org.

Our website also contains more consumer tips on buying cars and a wide range of other topics to help you protect yourself from scams.

Poker run for cancer at Hays Medical

HaysMed will sponsor a Pink Flamingo Poker Run to benefit breast cancer efforts on Saturday, September 10. Registration is from 8 to 9 a.m. (Mountain Time) and will be held at HaysMed's shelter

house located east of the hospital. Participants are asked to use the 22nd street entrance.

All motorized vehicles are welcome and everyone is encouraged to "Pink Out" in your own personal

style, whether that is wearing pink, painting your vehicle pink or just feeling in the pink by supporting a great cause.

The ride will have stops at Lacroisse, McCracken, Cedar Bluff, Ellis and Whiskey Creek in Hays. The first two cards will be drawn

at Hays. The winners will be announced around noon (Mountain Time). Proceeds from the event will go towards promoting awareness of breast cancer and early detection.

For specific information on the ride go to www.haysmed.com/flamingo.

sunflower 4-h

The Sunflower 4-H hosted the Flag Raising Ceremony for Sherman County Fair at 7:30 a.m. Thursday Aug. 4, and Saturday Aug. 6. The ceremonies were led by Christopher Berls who read the poem "Old Glory." There were nine members present on Thursday and 10 members present on Saturday.

Following the Flag Ceremony on Thursday, President Kendra Prom-

ise led the club tour allowing the club to look at everyone's projects for fair. We looked at fair projects in foods, arts and crafts, clothing, vegetables, exploring, livestock, flowers, photography, woodworking, entomology, wildlife, hand pets, dog and our club booth. The club enjoyed snacks provided by Promise on the lawn following tour.

Level: Beginner

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
