Become the neighborhood envy

Picture this....You're sitting on your front porch swing, swinging in the nice cool night breeze, and you can smell the flowers from your neighbor's yard. WAIT!! WHAT?? Why isn't that smell coming from YOUR yard?

The Master Gardeners have started their annual campaign for nominations for Yard of the Month. There are so many simple and affordable improvements you can make to help win yourself that distinct honor. Keep a tidy yard...maybe plant some flowerbeds...add some yard decorations. These don't have to be budget-breaking fancy! Just something to spruce up your home. And on the plus side, maintaining a nice exterior helps with selling and appraising of your home.

So get busy! It's a great feeling when you can finally sit back, relax and enjoy your home!
