

Adventures galore for kids in May

West Elementary School second graders (above) visited Goodland Regional Medical Center Tuesday. Emergency Medical Technicians (above) showed the kids the inside of the ambulance after they pulled out a hydraulic gurney. They also visited the nursery and the lab. It was EMS week. Two girls (left) fed a pair of

goats at the petting zoo last week at Orcheln's. The animals, including a camel, emu and zebra, were brought in by the Hedrick Exotic Animal Farm of Nicker-son. Tracy Traxel (below) of The Goodland Star-News showed West Elementary School First graders how circulars were in- scribed into the newspapers that

were printed that day. As part of the last days of school students were taking a variety of tours all over Goodland. Thursday was the last day of school.
