**If you resided in Kansas and purchased licenses for certain Microsoft operating systems or Word, Excel or Office software, or a personal computer that came with this software, from a company other than Microsoft between December 10, 1996 and December 31, 2002 THIS COURT-ORDERED NOTICE MAY AFFECT YOUR RIGHTS**

This Summary Notice is given pursuant to an Order of the Johnson County District Court, dated November 4, 2003, in *In re: Kansas Microsoft Litigation*, Consolidated Case No. 99 CV 17089. The purpose of the Notice is to inform you of the terms of a Settlement entered into between Plaintiffs and Defendant Microsoft Corporation so that you may decide what steps you wish to take. A Settlement Hearing will be held before the Honorable Allen R. Slater, Johnson County District Judge, in the Johnson County Courthouse, 100 N. Kansas Avenue, Olathe, Kansas, at 1:30 p.m. on May 5, 2004. The purpose of the Hearing will be to determine whether the proposed Settlement is fair, reasonable, and adequate, and entitled to final approval by the Court, and the amount of attorneys' fees and reimbursement of litigation expenses to be awarded to Class Counsel.

**THE LITIGATION**  
Plaintiffs, on behalf of themselves and all others similarly situated, brought this lawsuit (the "Class Action") against Microsoft. Plaintiffs alleged that Microsoft unlawfully used anticompetitive means to maintain a monopoly in markets for certain software and, as a result, overcharged consumers who licensed its MS-DOS, Windows, Word, Excel and Office software. Plaintiffs allege that Microsoft's actions violated the Kansas Antitrust Act and the Kansas Consumer Protection Act. Microsoft denies Plaintiffs' allegations and maintains that it developed and sold high quality and innovative software products at fair and reasonable prices. Rather than have the Court determine whether Plaintiffs or Microsoft are correct at trial, the parties decided to settle the case. The Court will decide after the hearing on **May 5, 2004**, whether to approve the Settlement.

**THE CLASS**  
By Order dated October 24, 2003, the Court certified the following Settlement Class:  
All persons and entities who, between December 10, 1996 and December 31, 2002, (including said dates) resided in Kansas and indirectly purchased (i.e., purchased from someone other than Microsoft) in the United States a license for a Microsoft Operating System (as defined below) and/or Microsoft Application (as defined below) for use in Kansas, and who did not purchase it for resale. Excluded from the Kansas Settlement Class are all direct purchasers, and Microsoft, its officers, directors, successors, assigns and subsidiaries.

Microsoft Operating Systems in this settlement means MS DOS, Windows versions 1.0 to 3.11, Windows 95, Windows 98, Windows NT 98 Second Edition, Windows Millennium Edition, Windows for Workgroups, Windows NT Workstation and Windows 2000 Professional. Microsoft Applications in this settlement means Word, Excel and Office versions designed for computers with the above MS-DOS or Windows operating systems.

The Court has appointed the following attorneys as Class Counsel:

Ben Barnow Barnow and Associates, P.C. One North LaSalle, Suite 4600 Chicago, IL 60602 (312) 621-2000	Ralph Phalen Edgar Law Firm LLC 4520 Main, Suite 1650 Kansas City, MO 64111 (816) 531-0033	Thomas H. Brill Law Office of Thomas H. Brill 8014 State Line Road, Suite 101 Leawood, KS 66208 (913) 383-2200
---	--	--

**THE PROPOSED SETTLEMENT**  
Under the proposed Settlement, Microsoft will provide up to \$32,000,000 in vouchers to Class Members. Upon presentation of proper proof of claim, each Class Member will receive a voucher worth (a) \$5.00 for each purchase of a Microsoft MS-DOS, Windows versions 1.0 to 3.11, Windows for Workgroups, Windows NT Workstation, Windows 2000 Professional, Word, Excel and Office software license, and (b) \$10.00 for each purchase of a Windows 95, 98, and Millennium Edition license. Class Members can later redeem the vouchers for cash if the Class Member purchases, after October 3, 2003, Qualifying Hardware or Qualifying Software products and submits the vouchers and proper proof of purchase to the Settlement Administrator. The Detailed Notice available from the Settlement Administrator defines Qualifying Hardware and Software.

In the event that less than \$32,000,000 in vouchers are issued to Class Members, Microsoft will issue certain vouchers to public, tribal, and BIA elementary, middle, junior high and high schools in Kansas in which 50% or more of the students are eligible to receive free or reduced-price meals through the National School Lunch Program. The amount of vouchers issued to schools will be 50% of the difference between \$32,000,000 and the value of the vouchers that are issued to Class Members.

Microsoft has agreed to pay separately the costs of notice to Class Members, the costs of claims administration, and Class Counsel's reasonable attorneys' fees and expenses. Such payments shall be in addition to the voucher Settlement amount and shall not in any way diminish the voucher payments under the Settlement. Class Counsel will seek reasonable attorneys' fees from Microsoft, in an amount yet to be determined but not to exceed \$8,000,000 plus reimbursement of litigation expenses, at the final approval hearing.

The above is only a summary of the proposed Settlement Agreement and you are referred to the Settlement Agreement on file with this Court for the precise terms and conditions or to the Detailed Notice available from the Settlement Administrator. You can request a Detailed Notice by calling 1-877-208-7488.

**RELEASE OF CLAIMS**  
If the Settlement is approved by the Court, it will release certain claims of Class Members who do not exclude themselves by following the procedures described below under "Options Available to Class Members." Under the Settlement, each Class Member settles and releases all claims, demands, actions, suits and causes of action against Microsoft and/or its directors, officers, employees, attorneys, insurers or agents, whether known or unknown, asserted or unasserted, that any Class Member ever had, could have had, now has or hereafter can, shall or may have relating in any way to:

1. any conduct, act or omission that was or could have been alleged in these consolidated cases as the basis for any antitrust or unfair competition claim, or
2. the purchase, use and/or acquisition of a license for a Microsoft Operating System and/or Microsoft Application and arising under or related to any laws concerning or relating to antitrust (including without limitation the Sherman Antitrust Act), unfair competition, unfair practices, consumer protection, price discrimination, unconscionable or unfair pricing, trade regulation, trade practices, K.S.A. § 50-626, K.S.A. § 50-112 et seq., K.S.A. § 50-132 et seq., or any other federal or state law, regulation or common law similar or analogous to any of the above, or
3. any conduct, act or omission that was or could have been alleged in the consolidated cases as the basis for any claim under the Uniform Commercial Code that relates to unfair competition, unfair practices, consumer protection, price discrimination, unconscionable or unfair pricing, trade regulation, or trade practices.

The release does not include claims relating to Microsoft's conduct, acts or omissions that take place after December 31, 2002. However, Class Members release any and all claims described above relating to Microsoft's conduct, acts or omissions that occurred on or before December 31, 2002.

**THE DETAILED NOTICE**  
If you are a Class Member and do not receive the more detailed Notice of Proposed Settlement with Defendant Microsoft, Proposed Settlement Class and Settlement Hearing, you may obtain a copy of the Detailed Notice by writing to:

Settlement Administrator  
P.O. Box 3770  
Portland, OR 97208-3770  
877-208-7488

The Detailed Notice is also available at [www.microsoftproductsettlement.com/kansas](http://www.microsoftproductsettlement.com/kansas).

**OPTIONS AVAILABLE TO CLASS MEMBERS**  
If you are a Class Member, you do not need to do anything to remain in the Class. If you do not wish to object to the Settlement, you do not need to appear at the Settlement Hearing and/or submit any documents in connection with the Hearing. You will be bound by the terms of the Settlement, if approved by the Court, and the Settlement Administrator will distribute the vouchers accordingly.

Class Members may object to the proposed Settlement. Any objections to the Settlement, final judgment, release of claims against Microsoft, or attorneys' fees or reimbursement of litigation expenses to be awarded to Class Counsel must be filed with the Court and served upon Class Counsel and Counsel for Microsoft no later than April 14, 2004, in the manner specified in the Detailed Notice.

If you do NOT want to remain in the Class or participate in the Settlement, you must mail a written request for exclusion to the Settlement Administrator at the following address:
