BE IT ORDAINED BY THE GOVERNING BODY OF CITY OF GOODLAND, KANSAS:

**SECTION 1.** Section 17-401. Electric utility rate is amended to read as follows:

Any household whose total annual income is \$11,000.00 or less shall be eligible for a monthly low income electric rate, which shall be charged as follows:

1. Energy charge: \$0.065 per KWH.

2. Customer charge: None.

**SECTION 2.** Section 17-402. Water utility rate is amended to read as follows:

Any household whose total annual income is \$11,000.00 or less shall be eligible for a monthly low income water rate. The monthly low income water utility rate shall be 15 percent lower than the monthly water rates currently set out in the Code of the City of Goodland, Kansas. There shall be no meter charge for low income customers.

**SECTION 3.** Section 17-403. Application. Is amended to read as follows:

Any member of a household which qualifies hereunder may make an application with the City Clerk to be approved for low income electric and water rates. Said application shall be on a form prepared by the City Clerk and the City Clerk shall be authorized to solicit such information on said form as may be necessary to properly evaluate said application. The annual gross income is defined to mean the full 12 calendar months immediately prior to the filing of an application with the City Clerk. Said application form shall contain an authorization, to be signed by said applicant, authorizing the City Clerk to verify the information set forth in said application. Said application shall be duly subscribed and sworn to by the applicant.

Upon receipt of an application, the City Clerk shall have 15 days in which to approve or disapprove an application. In the event of a disagreement between the applicant and the City Clerk, the applicant shall be entitled to appeal the decision of the City Clerk to the City Commission, which shall make a final determination upon said application.

Approval of an application shall be for a twelve 12-month period.
