Dallas DeLaRosa (center in dark jersey) watched the ball go through the basket, with teammates Reed Bellamy (left) and Blaine Luther, after scoring a basket during one of their games at the Atwood three-on-three tournament last Saturday. The boys, all fourth-graders at Central Elementary, have won five of six tournaments and are 28-1 for the season.

## Goodland golf team takes third at Hoxie Invitational Tuesday

The Goodland High School boys golfers finished third out of 12 teams at the Hoxie Invitational on Tuesday.

The Cowboys were led by senior Preston Lambrecht and freshman Nathan Linin, who both scored a 10-over-par 82. They finished in a four-way tie for eighth place. To break the tie score cards were compared with the order of finish based on the player who did the best on the highest handicapped hole, if still tied then to the next highest handicapped hole and so forth until the tie is broken. After

comparing cards, Linin placed ninth and Lambrecht 11th.

Lambrecht

Junior David Livengood shot an 85 and junior Brandon Cowan 89. Other Cowboys playing for the varsity were junior Wade Taylor (91) and sophomore Brett Lalicker (101).

The Warriors of Grinnell High School won the team title. Grinnell and Colby both finished with a team score of 336. To break a tie in team scores, officials go to the fifth player on the team and on to the sixth, if necessary. Grinnell's fifth

player shot a 92 while Colby's shot a 94.

Goodland's team score was 338. Hoxie finished fourth and Atwood fifth. Both teams scored 240, with the tie broken by comparing the fifth players' score.

Hill City's Carter Atkins won the tournament with a 4-over-par 76. Colby's Chris Finley and Andy Fikan of Atwood both shot 77 with Finley placing second and Fikan third after comparing score cards.

Goodland's junior varsity will be in action today at the Oakley Country Club starting at 3 p.m. (Central Time). The varsity will play at the Atwood Country Club at 9 a.m. Saturday (Central Time).

## Kansas absconders information online

A new state website will help law enforcement agencies and the public identify people who have absconded from parole or probation in Kansas.

The site is a joint creation between the Kansas Department of Corrections, the Kansas Criminal Justice Information System and the state attorney general's office as part of Operation PADLOC, which stands for parole absconder detection, location and capture.

Attorney General Phill Kline said he feels the site will be a valuable tool to help law officers track down and capture absconders.

The site, maintained by the Department of Corrections, gets most of its data from the Kansas Adult Supervised Population Electronic Repository.

People can go to [www.docnet-dc.state.ks.us/kasper2/abscondexpl.htm](http://www.docnet-dc.state.ks.us/kasper2/abscondexpl.htm) for a list of all current absconders. About 350 are listed in alphabetical order by last name. The person's sex, date of birth and date he or she was declared an absconder are listed. Each has a link that leads to a page that has the person's full name and any aliases used, a photograph if available, a physical description and a list of convictions.

When an offender on parole, probation or conditional release fails to comply with the terms of their post-release supervision, they are declared absconders and a warrant is issued for their arrest. The information is entered into the National Crime Information Center database.
