Bill and I want to thank Dr. Austin and all of the other doctors that took care of him while he was in the hospital.

Also, a big thanks to the rest of the staff for the wonderful care and concern that you gave him. It sure means a lot to have such a great bunch of people that really care about you.

Thanks to our family and friends for the help and concern

that has been shown to us since we came home.

Thanks also to Rev. John Parks for your visits and concern. Appreciate them a lot. Also, thank you to the other ministers that came to see us.
