All I want for Christmas is ...

Kids from Kindergarten, First and Second grade classes at West Elementary and Third and Fourth grade classes at Central Elementary have written their letters to Santa Claus. With his help we have obtained those letters and are printing them as part of the Christmas season.

No editing has been done to the letters, and they may contain a few misspellings that have been faithfully duplicated.

The colorful pictures were drawn by second graders from Sandy Jameson and Susan McCall's classes at West. —
