NOTICE OF FINDING OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT

It has been determined that

The reasons for such decision not to prepare such Statement are as follows:  
(Set forth reasons for decision) The implementation of this project will not adversely affect the environment.

An Environmental Review Record respecting the within project has been made by the above-named which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at 404 Center between the hours of 8:00 a.m. and 12:00 p.m., and between 1:00 p.m. and 4:00 p.m., Monday through Thursday; 8:00 a.m. to 12:00 p.m. on Friday.

received will be considered and the City will not request the release of federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

The City of Kanorado will undertake the project described above with block grant funds from the Kansas Department of Commerce, under Title I of the Housing and Community Development Act of 1974. The City of Kanorado is certifying to Commerce that The City of Kanorado and Robert E. Helderman in his official capacity as Mayor of The City of Kanorado consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision making, and action, and that these responsibilities have been satisfied. Commerce will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) that the certification was not in fact executed by the chief executive officer or other officer of applicant approved by Commerce, or (b) that applicant's Environmental Review Record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and

submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to the Kansas Department of Commerce, Small Cities CDBG Program, 1000 S.W.
