Man sold 380 acres, made \$4,500 for farm

By Evelyn Ward

Sherman County Historical Society

June 7, 1905: The north half of section 30-8-39 and 60 acres of the southwest of section 19-3-39, 380 acres in all, sold by Jake Lemmer at almost \$15 per acre.

He received \$4,500 net to him for the property. This improved farm is situated just south of the Rock Island track and yards in Goodland.

Mr. Lemmer, in speaking of the sale, said that he turned over the deeds the same hour of the day that he filed homestead papers upon the northeast quarter twenty years ago.

He has held it through prosperity and hard time alike, having added the other tracts to it. He has another farm of 320 acres about 13 miles north of Goodland, which Jake will also sell when he gets his price.

With that gone, this pioneer will be landless but not moneyless. He has spent the best years of his life here and says that he intends to die here. He wouldn't exchange Sherman County for any other spot on the globe, and we are glad of it.
