

“And the star-spangled banner forever shall wave O’er the  
land of the free and the home of the brave!”

Francis Scott Key

As we celebrate Independence Day, we are once again reminded that freedom is not free. Just as America fought for independence in 1776, American troops continue to defend freedom around the world today. July Fourth is a day to honor the men and women who have sacrificed so much to protect our liberty. It’s a day to proudly celebrate our great country and the ideals it represents.

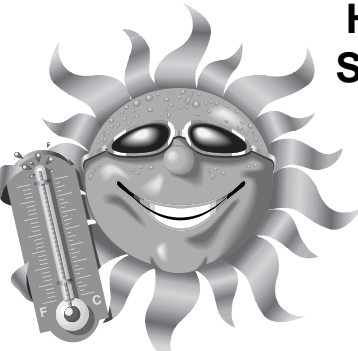

Happy Birthday, America – let freedom ring forever!
