

Kids show dog skills at fair

Clockwise from left: Nicole Hendrich brushed her dog Sadie for the Sherman County 4-H Dog Show on Saturday. Christy Studer (above) helped her dog, also named Sadie, over a teeter totter in the agility course, the first event. Aaron Coash (below right) stood patiently waiting for judgment in the showmanship competition. Brennan Clouse cheered his dog along as Ginger emerged from a tunnel in the agility course. The dogs were judged on agility, showmanship and obedience. The 4-Hers were separated into categories based on experience.
