

Vroom, vroom

Things got muddy for Joey Snethen of Goodland in the S98 car (above) while trailing the pack in a bomber race Saturday at the Sherman County Speedway. Josh Frecks (16, at right above) moved into second in the mini-stock class when Dawn Kleine (5, by pole) spun out in turn three early in a race. With one lap to go, Kleine caught Frecks and he spun out on turn four, ending up against the west guardrail to give Kleine second place. Steve Arntt (12) spun around 180 degrees in turn four in a bomber race and fellow drivers Clinton Hockersmith (01W, left,) the S98 car driven by Snethen, 11X driven by Ron Haremza (outside of S98) and Kyle Rohleder (3R, right), managed to avoid a collision. Arntt got out of the way, turned the car around and got back in the race, but finished last.

Brewster youth fourth

Brewster sophomore Jance McKee placed fourth at the state Class 1A golf tournament at the 18-hole Quail Ridge Golf Course in Winfield.

McKee shot an 11-over-par 83, just two strokes behind state champion Zack Rockey of Udall. McKee, Rockey and Ben Murphy of Coldwater's South Central High played in the same group. Murphy shot a 90 finishing to finish in a five-way tie for 15th.

McKee's group was the last of 30 to tee off. After an hour delay due to weather, the group got in only three holes before lightning forced another delay.

Brewster coach Rae Stewart said it was about 9 p.m. when the last group teed off for hole 18. Because of darkness, a tournament official had to stand by the cup so the golfers could see where it was. Spotters helped players find their balls on the fairway. Award ceremony was held by flashlight 13 hours after tee off.

The Thunderbirds of Quivira Heights High in Bushton won the tournament, led by Addison Swain, who shot an 89 and finished in a four-way tie for 11th. South Central High of Coldwater was second, with Greensburg third.

McKee qualified for the state championship by winning the regional tournament May 15 at the Grinnell Cow Paddy Golf Club with a 13-over-par 75.

The Brewster Bulldogs, in their second year as a golf team, started the season with three returning players and four new faces, said Coach Stewart. They played in 10 tournaments, he said, improving with each one as the season went on.

Besides McKee, the team comprised senior Megan Fulwider, juniors Ryan Emundson and Tim Knox, sophomore Michael Collett and freshmen T.J. Preston and Brit-tany Schutte.

sonal-best scores at the regional tournament.

"This was a great bunch of kids to coach," said Stewart, "They were fast learners, very supportive of each other, and always gave their best.

"I am looking forward to the next few years with this young team. They have progressed so far this

year, it makes me wonder how far they will take themselves and the team in the next few years."
