

Area driver rolls his car

Goodland's Ricky Pummer (car 13, at right) finished in the top four of his heat in the Econo Class at the Sherman County Speedway on Saturday. In the main event Pummer, 27, rolled his car during a six-car pileup, said Alex West, racing association president. West said he counted and Pummer's car rolled six times. Pummer was trapped for a short time West said, but county rural firemen and emergency medical technicians were able to get him out without having to cut up the car. West said Pummer was taken to the hospital to be checked out. "He was OK, and I saw him at the races in Colby on Sunday," West said.

Colby College team wins honors

The Lady Trojans of Colby Community College were honored last week by the Women's Basketball Coaches Association for having the highest team grade average among the country's junior colleges.

The Lady Trojans, topping the list with a 3.458 average, were the only team from the Kansas Jayhawk Community College Conference to make the association's Academic Honor Roll.

Colby, under Coach Tom Stephens, went 32-5 last season, earning a spot in the National Junior College Athletic Association Division I championship tournament and finishing the season ranked No. 7.

Northeastern Junior College of Sterling, Colo., was No. 10. Former Cowgirl Justeen Koehler expects to join the Plainswomen in the fall.

Other Kansas schools making the college honor roll were Pittsburg State University, which ranked No. 3 in NCAA Division II with a 3.568 average, and

Bethel College of North Newton, ranked No. 25 in the National Association of Intercollegiate Athletics, averaging 2.991.

Drury University of Springfield, Mo., where 1980 Goodland High School graduate Nyla Milleson has been the coach since women's basketball was introduced, ranked No. 2 among Division II schools with a 3.626 grade average.

Milleson addressed seniors at May's graduation at Goodland High, including Koehler, giving them her five keys to success.

South Dakota State University was the top team in NCAA Division I. The University of Nebraska at Kearney was No. 1 for Division II and Colorado College tops for Division III. Dana College of Nebraska had the highest average among the teams of the National Association of Intercollegiate Athletics teams.

Elks K-18 team wins spot at state tournament

The Goodland Elks K-18 baseball team will play in the state tournament Saturday in Lucas for the first time in years.

The team will face the top seed from the east, Clifton-Clyde, at 5:30 p.m. Mountain Time in Lucas, said Tammy Freeman, a team member's mother and team booster.

Scott Waugh, father of a team member, said he was told the Goodland K-18 team has not been to the state tournament in about 15 years.

The Goodland team finished

fourth in regional action over the weekend, winning their first game Friday against Russell, 3-2, with Rory Kling pitching.

Waugh said Goodland lost to Ellis in a lopsided game, 28-2. He said Goodland tried several pitchers in that game.

On Sunday, Goodland lost a close game to Quinter, 9-6, to finish fourth.

Donna Morris, mother of Cameron Morris, who has pitched this year, said she Goodland would be facing the top seed from the east

in the first round. Clifton and Clyde are just east of Concordia on K-9.

"That is probably not so good for us," Morris said, "but the important things is that the team made it to state for the first time in 15 years."

Colby's K-18 team won the regional and will play in the game following Goodland on Saturday, Morris said. She did not know the score of the game between Colby and Ellis for the regional title Sunday night.

matters of record
