

Dogs struttin' their stuff

Lindsay Bauman (top) showed Judge Darin Richardson her dog's bite in junior showmanship at the Northwest Kansas District Free Fair on Saturday. Alexis Bateman (left) had her dog heel when they went around the human posts — Terri Richardson and Penny Sheldon — as judge Lisa Jacobus from Oakley graded them in obedience. Jonah McClung (bottom left) received a grand championship ribbon from Richardson in junior showmanship. Derrick Ihrig (bottom right) led his dog on the bridge with Richardson watching in agility.
