## Jaycees to sponsor competition

Dust off those running shoes and bring out the bats, gloves and baseballs, because it is time for the second annual Diamond Skills competition for youngsters 7 to 14.

The event will be held at the Oberlin ball fields at 3 p.m. on Sunday, April 22, sponsored by the Oberlin Jaycees.

Young adults will have the opportunity to test their batting, fielding, throwing and base-running skills during the afternoon.

Medals will be given for those who place first through third in each age group and there will be an award for the all-around champion. Participants will be judged on their speed and accuracy.

Those who place high during the day may have a chance to advance to national competition. In order to advance to sectional competition, you must place first in the all-around batting, fielding/throwing and base run-

ning in your age group. The top four participants in an age group for sectional competition move to team competition and then to nationals, which will be held in Seattle in July.

There is no charge to participate, but bring a copy of your birth certificate. The event is open to boys and girls.

There will be a porkburger feed to follow the fun and games around 5 p.m. for \$2.50.
