ADDITIONAL INFORMATION
The following additional information is provided by the District with respect to compliance with the provisions of K.S.A. 10-120a and K.S.A. 12-6-122. This information has been obtained from sources deemed reliable by the District. Certain portions of this information is based upon projections. No assurances can be given that these projections will be accurate as of the date of issuance of the bonds due to changing market conditions, any changes in assessed valuation of the District, changes in the amount of state financial aid received by the District and other matters unknown or unavailable at this time. The projected rates of property taxation to be used to pay the principal of and interest on the Bonds are based upon a conservative estimate of growth for the assessed valuation of the District, the assumed principal repayment schedule and the average interest rates from recent bond issues for similar types of financings and the current level of state financial aid the District would receive with respect to the bonds, all as shown below.
