I found a quick and painless cure.

When I developed hemorrhoids, my doctor recommended Hemcure...the painless, non-surgical treatment method performed by M.D.s. It took only a few short visits to the doctor's office. And since no recuperation was needed, I could resume my normal activities right away. With Hemcure, curing my hemorrhoid problem was simple. Any cost, my insurance covered it. Hemorrhoids aren't the easiest thing to talk about. But listen, if you've got hemorrhoids, why suffer? Do as I did and call to find out more.
