

Youth heads for meet

By KIMBERLY BRANDT
 Kenyon Badsky will step out on the mat Thursday in Ohio to represent the Oberlin Red Devils at the national wrestling meet.

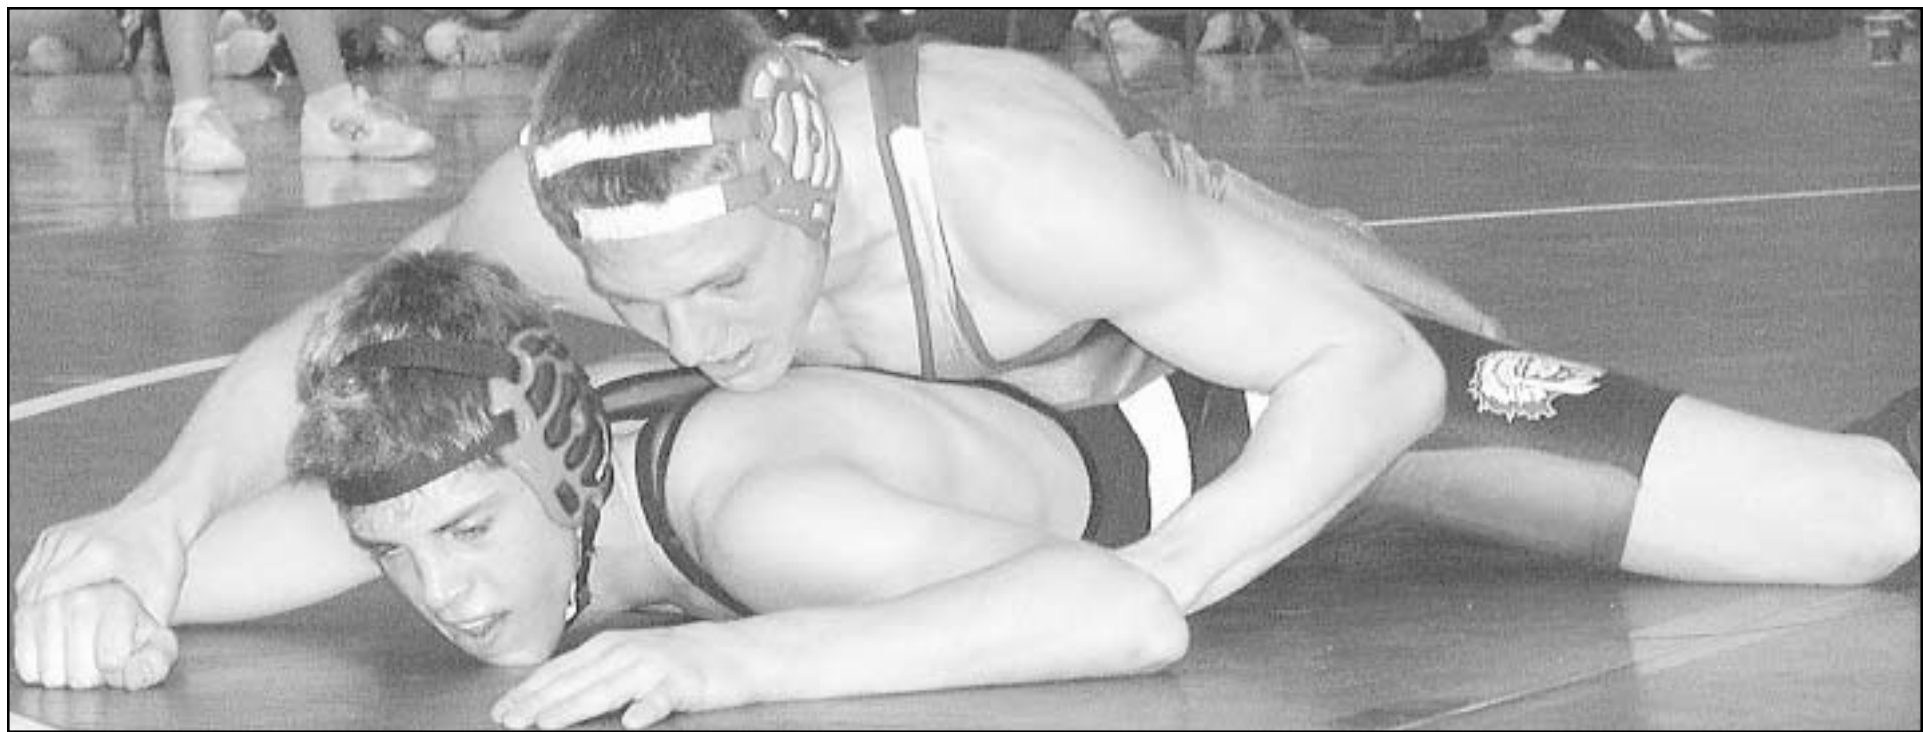

Kenyon is the first Decatur Community High wrestler in three years to be invited to the National High School Coaches Association/National Seniors Wrestling Championship. He will be one of 800 wrestlers to spend four days in Cleveland wrestling.

With 13 years of wrestling under his belt, it seems as if Kenyon is taking everything in stride. He said the national event will be exciting, and he has been working out and practicing with a friend to prepare.

His high school career includes a 100-27 record, and he has received 64 medals.

Besides wrestling, he has played football, run track and is going out for golf.

He has been invited to wrestle in the East/West Senior Classic on April 5 at the Topeka West High

School. He has qualified for state competition three of his four years in high school, placing fourth his junior year and second this year.

His parents, Ken and Jan Badsky, are proud of their son, though neither will go to the competition.

Mrs. Badsky said she is going to miss the opportunity to see her son wrestle this time.

"I feel like I've wrestled all of those 300 matches, because I get

into the sport so much when I watch him," she said. "When you are a parent, you learn things from your kids.

"I wish him luck," she said, "and hope he pursues a career in what he wants, but hope he stays connected with the young people and shares his talents with them."

The event is not paid for through the school and Kenyon has been raising money to pay his way and

for Coach Caleb Howland to go with him.

"I am excited for him," said Mr. Badsky, an assistant coach on the high school team and a former champion wrestler for Oberlin himself. "I wish I could go watch him."

The family set up a \$50 giveaway raffle and raised around \$500 that way. In all, Kenyon said he has raised around \$1,000, but still needs around \$400 to cover all the ex-

penses.

On Monday, reporter Kimberly Brandt drew Derrick Bruggeman's name out of the box as the winner of the \$50.

Kenyon said he appreciates the support of the community both financially and by cheering him on all these years.

He plans to attend Fort Hays State University or Colby Community College and major in criminal jus-

tice (his dad is Decatur County sheriff), though he did receive a letter from Labette County Community College inviting him to wrestle.

"I can remember when he was a little boy and he went out on the mat and it was fun," said Mrs. Badsky. "He always had a smile on his face, even when he lost. I knew then that he would continue in the sport when I saw that sportsmanship"

Woman totals car after deer jumps from ditch

A deer totaled a Selden woman's 1994 Ford Taurus while she was heading home on U.S. 83 about 10:30 p.m. on March 11.

Sheriff Ken Badsky said Amanda Carroll, 23, was southbound on

U.S. 83 when a deer jumped out in front of her car. She lost control and her car went into the east ditch and into the windbreak outside the old dairy.

Sheriff Badsky said he received

a call from her hours later. He was told that she was knocked out for awhile and then a truck driver stopped and gave her a lift back to Selden, where she called dispatch.
