

When you  
are ready  
to explore  
the web  
we have  
a deal!

***We can connect you today!***

**What do you have to do?**

nwkansas.com is your local area key to the Internet. We offer reliable service, fast modems and full access to the Internet, the World Wide Web and E-mail all in one package. We have technical support to help you get connected, and plenty of lines to take your calls. We are your **local** Internet Service Provider with **local** people who can answer your questions. In most cases, you can be hooked up today.

**A special deal for you!**

For the best deal, pay \$198 for a year. That's only \$16.50 per month. You'll get more than four months free service compared to our regular monthly rate of \$24.95. The second best deal is to pay \$99.80 for five months. With this one, we give you one month free, which cuts the cost to \$19.96 per month.

**Infinite variety on the 'Net**

There's a whole new world waiting out there. Whatever you're interested in, the Internet, with its millions of postings and services, has it. Weather, time of day, art, archives, news, hobbies.... If you can imagine it, someone has put it on the Internet.

Use it for business. Use it for school.

Use it for pleasure. Use it just to find out what's out there. Pick a topic and search the entire World Wide Web for it ... in just seconds.

Paintings from the world's great museums? They're there, though of course you might have to polish up your French to read the titles... Stock quotes? Commodities? Of course. The latest news from CNN, AP, Reuters, you name it. There is no limit.

**E-mail for fun and profit**

E-mail is fast, affordable and inexpensive. From your computer, you can send and receive messages anywhere in the world ... for no charge ... once you have an Internet connection.

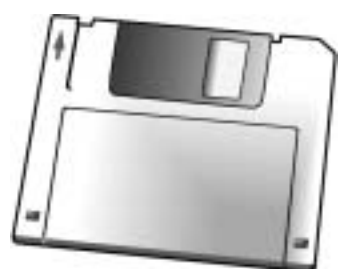

It's easy and reliable. Fast and convenient. You can keep in touch with kids in college, family at home, friends around the world. They have your message within minutes ... and you never have to buy a stamp.

At work, E-mail is your constant companion. It takes your message whether you are there to get them or not. They'll be on your desk when you get back. You may never have to play phone tag again.
